Item 1.01. Entry into a Material Definitive Agreement.

Purchase Agreement

On June 27, 2018, Differential Brands Group Inc. (the “Company”) entered into a Purchase and Sale Agreement (the “Purchase Agreement”) with Global Brands Group Holding Limited (“GBG”) and GBG USA Inc., a wholly-owned subsidiary of GBG (“GBG USA”), to purchase a significant part of GBG’s and its subsidiaries’ North American business, including the wholesale, retail and e-commerce operations, comprising all of their North American kids business, all of their North American accessories business and a majority of their West Coast and Canadian fashion businesses (collectively, the “Business”) for a purchase price of \$1.38 billion, to be paid in cash and subject to adjustment (the “Purchase Price”). The acquisition contemplated by the Purchase Agreement (the “Transaction”) is expected to close in the third quarter of 2018, which will result in the combination of the Business with the Company’s existing omni-channel platform, comprised of the Robert Graham, Hudson and Swims brands.

Prior to the consummation of the Transaction, and as a condition to the Company’s obligation to close the Transaction, GBG agreed to, and cause its subsidiaries to, undergo an internal reorganization pursuant to which all of the outstanding equity securities of certain of GBG’s subsidiaries that operate the Business, and certain assets and liabilities related to the Business, will be contributed to a newly formed Delaware limited liability company (“NewCo”). Pursuant to the Purchase Agreement, at the closing, subject to the satisfaction or waiver of the closing conditions, including those discussed below, the Company will purchase all of the outstanding equity interests of NewCo, together with certain additional assets related to the Business, and will assume certain additional liabilities related to the Business.

As discussed in greater detail below under the heading “Debt Commitment Letters,” Ares Capital Management LLC (“Ares”), HPS Investment Partners, LLC (“HPS”) and GSO Capital Partners LP (“GSO”), on one hand, and the Company, on the other hand, entered into Debt Commitment Letters (as defined below), pursuant to which, subject to the terms and conditions set forth therein, Ares, HPS and GSO have agreed to provide fully committed debt financing for the Transaction (the “Debt Financing”). Among the conditions to the funding of the Debt Financing, the Company has agreed to raise an aggregate of \$150 million of equity capital in the form of cash investments in shares of common stock of the Company. In this regard, the Company expects that GSO, Ares and Jason Rabin, GBG’s President who is expected to lead the management team at the Company following the closing of the Transaction, will each invest a minimum of \$25 million at a purchase price of approximately \$8.00 per share of common stock of the Company. The Company expects that the remaining equity capital will be provided by other members of GBG’s existing U.S. management team and other co-investors on substantially similar terms (such equity issuances, together with shares of common stock of the Company to be issued to GSO in connection with the Debt Financing, the “Equity Issuance”). Concurrently with the Equity Issuance, certain affiliates of Tengram Capital Partners, L.P. (the “Tengram Stockholders”) have also agreed to convert, in accordance with their respective terms, all of their shares of Series A Convertible Preferred Stock and Series A-1 Convertible Preferred Stock into shares of the Company’s common stock. Following such conversion and pro forma for the Transaction, the Company will not have any shares of preferred stock issued and outstanding.

The closing of the Transaction is subject to satisfaction or waiver of customary closing conditions, including (i) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act; (ii) the approval of the Transaction by GBG’s stockholders in accordance with applicable Hong Kong listing rules; (iii) the approval of the Equity Issuance by the Company’s stockholders pursuant to NASDAQ listing requirements; (iv) each of GBG and the Company having delivered all required closing deliverables (including certain third party consents in the case of GBG); and (v) the entry into a mutually agreed transition services agreement. Concurrently with the execution and delivery of the Purchase Agreement, stockholders of GBG, collectively representing approximately 25.7% of the issued and outstanding voting stock of GBG, entered into a support agreement with the Company, pursuant to which they agreed to vote their shares in favor of the Transaction.

The Purchase Agreement contains certain customary termination rights, including that each of the Company and GBG has the right to terminate the Purchase Agreement on or after 5:00 p.m. New York City Time on October 31, 2018 if the closing conditions to the Transaction have not been fulfilled by such date. If GBG terminates the Purchase Agreement due solely to the Company's failure to consummate the Transaction because the Company does not receive the Debt Financing in accordance with the terms and conditions of the Debt Commitment Letters, the Company will be required to pay GBG a termination fee of \$2.5 million. If either party terminates the Purchase Agreement due to a willful breach of the Purchase Agreement by the other party that causes a closing condition to fail, the breaching party will be required to pay the terminating party a termination fee of \$5 million. In addition, each party also has the right to specifically enforce the obligations of the other party in the Purchase Agreement to consummate the Transaction; provided, however, that GBG and GBG USA cannot require the Company to consummate the Transaction unless, among other things, (i) the Debt Financing is funded, or will be funded, at the closing of the Transaction in accordance with the terms and conditions of the Debt Commitment Letters; (ii) all of the conditions to closing the Transaction have been satisfied or waived (or will be satisfied or waived at the closing of the Transaction); and (iii) GBG confirms that it will close the Transaction.

The Purchase Agreement includes customary representations, warranties and covenants for a transaction of this nature. Among other things, for the period up until the earlier of the closing of the Transaction and the termination of the Purchase Agreement, GBG and GBG USA have agreed to conduct the Business in the ordinary course of business in accordance with applicable law and otherwise refrain from taking certain actions without first obtaining the Company's written consent. GBG and its affiliates have also agreed not to (i) solicit, encourage, negotiate, facilitate, approve or recommend any alternative transaction or (ii) provide any non-public information regarding, or access to, the Business in connection with an alternative transaction. The parties have also agreed to use their reasonable best efforts to consummate the Transaction including, with respect to the Company, taking all steps necessary to avoid or eliminate every impediment imposed on the Company or its affiliates under applicable U.S. and non-U.S. antitrust law. Subject to certain limitations and conditions set forth in the Purchase Agreement, the parties have agreed to indemnify each other for, among other things, breaches of representations, warranties and certain covenants contained in the Purchase Agreement.

Debt Commitment Letters

In order to secure funding for the Transaction, on June 27, 2018, the Company entered into (i) a commitment letter (the "First Lien Commitment Letter") with Ares and HPS (collectively, the "First Lien Commitment Parties") and (ii) a commitment letter (the "Second Lien Commitment Letter" and together with the "First Lien Commitment Letter, collectively, the "Debt Commitment Letters") with GSO (together with the First Lien Commitment Parties, collectively, the "Commitment Parties"), pursuant to which the Commitment Parties have agreed to provide, or cause to be provided through their respective managed funds, the Debt Financing. Pursuant to the Second Lien Commitment Letter and in consideration of its provision of the debt financing under the Second Lien Facility (defined below), funds managed by GSO will also receive shares of common stock of the Company in an aggregate amount equal to 25% of the aggregate common stock outstanding on the date of the Transaction on a fully diluted basis, and will enter into a shareholders agreement on terms to be agreed.

The Debt Financing is anticipated to be comprised of: (i) a first lien term loan facility in a total principal amount of \$685.0 million, which facility matures five years from closing (the "First Lien Term Facility"); (ii) a revolving credit facility in a total principal amount of up to \$150.0 million, which facility matures four and a half years from closing (the "Revolving Credit Facility"); and (iii) a second lien term loan facility in a total principal amount of \$674.0 million, which facility matures six years from closing (the "Second Lien Facility"). Prior to the closing, the First Lien Commitment Parties have the right to reduce the size of the Revolving Credit Facility to \$100.0 million with a corresponding increase in the size of the First Lien Term Facility to up to \$735.0 million.

The amount of the financing to be provided pursuant to the Debt Financing is subject to adjustment, including based on pro forma compliance with certain closing date leverage ratios, and the funding of the Debt Financing is contingent on the satisfaction of certain conditions set forth in the Debt Commitment Letters. In particular, (i) the amount of financing under the First Lien Term Facility will be automatically reduced to the extent that the first lien leverage ratio on the closing date exceeds 3.25 to 1.00; (ii) the First Lien Term Facility and Revolving Credit Facility will not be required to be funded if the automatic reduction described in the preceding clause (i) would cause the commitments under the First Lien Term Facility to be reduced by more than 20%; and (iii) the amount of financing under the Second Lien Facility will be automatically reduced to the extent that the total leverage ratio on the closing date exceeds 5.75:1.00 (subject to certain adjustments). In addition, the Debt Financing is conditioned upon the occurrence of the Equity Issuance and the Company obtaining factoring agreements of a specified size on commercially reasonable terms. Furthermore, the funding of the Second Lien Facility will not be required to be funded if, among other things, the Purchase Price is reduced by greater than 10% without GSO's consent or if the Company fails to obtain third party consents under certain material agreements.

The interest rates under the Debt Financing are anticipated to be follows:

- For the First Lien Term Facility: the lender's alternate base rate ("ABR") (with a 2.50% floor) plus 5.00% for base rate loans or adjusted LIBOR (with a 1.50% floor) plus 6.00% for LIBOR Rate Loans, with two 0.25% step downs upon achieving and maintaining a first lien leverage ratio equal to or less than 2.75 to 1.00 and 2.25 to 1.00, respectively.
- For the Revolving Credit Facility: ABR (with a 1.00% floor) plus 5.00% for base rate loans and adjusted LIBOR (with a 0% floor) plus 6.00% for LIBOR rate loans, with two 0.25% step downs upon achieving and maintaining a first lien leverage ratio equal to or less than 2.75 to 1.00 and 2.25 to 1.00, respectively.
- For the Second Lien Facility: LIBOR (with a 1.50% floor) plus 7.00%, plus 2.75% payment-in-kind interest ("PIK") from the closing of the Transaction until December 31, 2019, and adjusted LIBOR (with a 1.50% floor) plus 8.00%, plus 1.25% PIK thereafter (subject to certain adjustments and compliance with certain leverage ratios).

The Debt Financing also will be subject to certain fees, including arrangement fees, upfront fees, agent fees, unused commitment fees and mandatory prepayment premiums. Once funded, the Debt Financing is anticipated to require the Company to comply with certain customary covenants, including financial ratios and negative covenants, and contain certain customary events of default.

The Debt Financing as outlined in the Debt Commitment Letters, together with investments from certain members of management, co-investors and lenders, will be used to finance the Purchase Price, repay and replace the Company's existing indebtedness (except as otherwise provided in the Debt Commitment Letters) and pay all of the fees, costs and expenses incurred in connection with the Transaction. The Debt Commitment Letters provide that, subject to the satisfaction or waiver of certain conditions, the Debt Financing would be funded concurrently with the closing of the Transaction and secured by first and second priority liens on substantially all of the assets of the Company and certain of its subsidiaries.

Shareholder Approval in connection with Equity Issuance

Given that the Equity Issuance is expected to result in the issuance of more than 20% of the shares of the Company's common stock outstanding before such issuance, the Company's stockholders must approve the Equity Issuance pursuant to NASDAQ listing rules, which require any such issuance to be approved by a majority of the total votes cast at a meeting in which a quorum is present or by the written consent of the holders of a majority in voting power of the outstanding shares of capital stock entitled to vote thereon. Concurrently with the execution and delivery of the Purchase Agreement, the Tengram Stockholders, which collectively represent approximately 44.9% of the Company's outstanding voting capital stock, entered into a support agreement with GBG, pursuant to which they agreed to vote their shares in favor of the Equity Issuance. The Company expects to obtain written consent from a limited number of existing stockholders of the Company, which together with the Tengram Stockholders, would constitute the requisite shareholder vote to approve the Equity Issuance. In connection therewith, the Company expects to mail to the stockholders of the Company an information statement in compliance with applicable securities laws prior to closing of the Transaction.

Incorporation by Reference

The foregoing description of the Purchase Agreement and Debt Commitment Letters, and the transactions contemplated thereby, does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement, First Lien Commitment Letter and Second Lien Commitment Letter, copies of which are filed as Exhibits 2.1, 10.1 and 10.2, respectively, hereto and are incorporated herein by reference. The Company discusses certain of these factors more fully in its additional filings with the Securities and Exchange Commission (the “SEC”), including its annual report on Form 10-K for the fiscal year ended December 31, 2017 and subsequent quarterly reports on Form 10-Q filed with the SEC, and this Form 8-K should be read in conjunction with those reports, together with all of the Company’s other filings, including other current reports on Form 8-K, through the date of this Form 8-K. Section 2.5 Purchase Price Adjustment.

(a) Within ninety (90) days after the Closing Date, Purchaser shall deliver to Parent its calculation of the Purchase Price, together with Purchaser's good faith proposed calculations of (i) the Working Capital Adjustment, (ii) Closing Indebtedness, (iii) Closing Date Cash and (iv) Closing Date Transaction Expenses, in each case, including the components thereof and in accordance with IFRS and consistent with past practices and the definitions thereof (which calculations shall collectively be referred to herein from time to time as the “Proposed Closing Date Calculations”); it being acknowledged and agreed that in order to avoid duplication, no individual item or amount shall be taken into account in more than one of the components of the Proposed Closing Date Calculations (or more than once in any individual component of the Proposed Closing Date Calculation above) in calculating the Proposed Closing Date Calculations. During the thirty (30) day period immediately following delivery to Parent of the Proposed Closing Date Calculations, Purchaser shall, and shall cause the Transferred Entities to, provide Parent and Parent's accountants, advisors and other representatives with reasonable access during normal business hours to the books and records (to the extent in the possession or control of Purchaser or one of its Subsidiaries) to the extent relevant to the preparation of the Proposed Closing Date Calculations and to the personnel employed by Purchaser responsible for the preparation of the Proposed Closing Date Calculations in order to respond to the inquiries of Parent related thereto, (x) Parent and its accountants, advisors and other representatives shall execute any customary releases or waivers in favor of Purchaser's and the Transferred Entities' professional advisors in connection with such review and (y) such review shall not interfere in any material respect with the normal business operations of Purchaser or the Transferred Entities.

(b) Parent may dispute the amounts reflected on the line items of the Proposed Closing Date Calculations (each, a “Disputed Item”), but only on the basis of (i) mathematical errors, or (ii) the Proposed Closing Date Calculations not being calculated in accordance with Section 2.5(a); provided, however, that in each case Parent shall notify Purchaser in writing of each Disputed Item, and specify in reasonable detail the amount thereof in dispute and the basis therefor, within thirty (30) days after the Proposed Closing Date Calculations has been delivered to Parent. The failure by Parent to provide a notice of Disputed Items to Purchaser within such period will constitute Parent's final and binding acceptance of all items in the Proposed Closing Date Calculations. Only those matters identified in a timely delivered notice of Disputed Items shall be in dispute, and all other matters included in the Proposed Closing Date Calculations shall be final and binding upon the Parties.

(c) If a notice of Disputed Items shall be timely delivered pursuant to Section 2.5(b), Parent and Purchaser shall, during the twenty (20) Business Days following the date of such delivery (the "Resolution Period"), negotiate in good faith to resolve the Disputed Items. If, during the Resolution Period, the Parties reach an agreement with respect to the Disputed Items, such agreement shall be evidenced in writing and the Proposed Closing Date Calculations (as revised pursuant to such written agreement) shall become final and binding on the date of such agreement. If, during the Resolution Period, the Parties are unable to reach agreement with respect to any of the Disputed Items, Parent and Purchaser shall refer all unresolved Disputed Items to Ernst & Young or such other accounting firm upon which Parent and Purchaser shall mutually agree (the "Independent Accountant"). Parent and Purchaser agree to cooperate with the Independent Accountant during its resolution of the Disputed Items (including by entering into a customary engagement letter with the Independent Accountant). In resolving such objections, the Independent Accountant shall only consider those items in dispute as set forth in the Proposed Closing Date Calculations and Parent's timely notice of Disputed Items, and shall be instructed to otherwise not investigate matters independently. None of Purchaser, Parent, Seller or any of their respective Affiliates shall have any *ex parte* communications with the Independent Accountant. Parent and Purchaser shall request that the Independent Accountant make a determination, acting as an expert and not as an arbitrator, with respect to unresolved Disputed Items within thirty (30) days after its engagement by Parent and Purchaser, which determination shall be made in accordance with the rules set forth in this Section 2.5. The Parties agree that the failure of the Independent Accountant to strictly conform to any deadline or time period contained herein shall not render the determination of the Independent Accountant invalid and shall not be a basis for seeking to overturn any determination rendered by the Independent Accountant. The Independent Accountant shall deliver to Parent and Purchaser, within such thirty (30) day period, a written report setting forth (i) its adjustments, if any, to the Proposed Closing Date Calculations, and (ii) the calculations supporting such adjustment of the Closing Indebtedness, the Working Capital Adjustment, the Closing Date Cash, the Closing Date Transaction Expenses and the Purchase Price. Absent manifest error, such report shall be final, conclusive and binding on the Parties and the Parties agree that the procedures set forth in this Section 2.5 for resolving disputes with respect to the Proposed Closing Date Calculations shall be the sole and exclusive method for resolving such disputes unless otherwise agreed to in writing by the Parties. In resolving all Disputed Items submitted to it in accordance with this Section 2.5, the Independent Accountant shall not assign a value to any item that is greater than or less than the value that was claimed by either Party. Parent and Purchaser shall initially share equally all costs incurred in connection with the engagement of the Independent Accountant; provided that such costs shall ultimately be allocated between Purchaser and Parent in the same proportion that the aggregate amount of the Disputed Items submitted to the Independent Accountant that are unsuccessfully disputed by each such Party (as finally determined by the Independent Accountant in accordance with this Section 2.5(c)) bears to the total amount of such Disputed Items so submitted.

(d) If the Purchase Price as reflected in the Agreed Closing Date Calculations is less than the Estimated Purchase Price, then Parent and Seller, jointly and severally, shall pay to Purchaser, the amount of such shortfall in accordance with Section 2.5(e). If the Purchase Price as reflected in the Agreed Closing Date Calculations is greater than the Estimated Purchase Price, then Purchaser and the Transferred Entities, jointly and severally, shall pay to Parent the amount of the excess in accordance with Section 2.5(e).

(e) All payments to be made under Section 2.5(d) will be paid or caused to be paid by the Party obligated to make such payment under this Section 2.5 (the "Paying Party") to the other Party (the "Receiving Party"), for itself and as agent for its Affiliates (as applicable), within ten (10) Business Days after the determination of the Agreed Closing Date Calculations, in dollars by wire transfer of immediately available funds, without interest, in accordance with written instructions given by the Receiving Party to the Paying Party (which instructions shall be provided by the Receiving Party promptly, and no later than three (3) Business Days, after the determination of the Agreed Closing Date Calculations (or such later time as may be agreed by Parent and Purchaser)).

Section 2.6 Withholding. Purchaser and each Transferred Entity shall be entitled to deduct and withhold from any amount payable pursuant to this Agreement such amounts as are required to be deducted and withheld under applicable Tax law; provided, however, that if Purchaser determines that any such withholding is required, Purchaser shall provide the Parent and the Seller written notice to that effect at least three (3) Business Days prior to the Closing Date, and the Parties shall cooperate in good faith to minimize any such withholding, provided that no such notification shall be required to the extent such deduction or withholding is in respect of any payroll or employment Taxes. Amounts withheld pursuant to this Section 2.6 and timely paid to the appropriate taxing authority shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made.

Assuming satisfaction of the conditions to Purchaser's obligation to consummate the transactions contemplated by this Agreement, or waiver of such conditions, and after giving effect to the transactions contemplated by this Agreement, including the Debt Financing, any alternative financing and the payment of the Purchase Price, any other repayment or refinancing of debt in connection with the Sale, payment of all amounts required to be paid in connection with the consummation of the transactions contemplated hereby, and payment of all related fees and expenses, each of Purchaser and its Affiliates (including the Transferred Entities) will be Solvent as of the Closing Date and immediately after the consummation of the transactions contemplated hereby.

Section 4.5 Financing. Purchaser has delivered to Seller true and complete copies of the executed commitment letters and redacted fee letters, each dated as of the date hereof, between Purchaser and each of Ares Capital Management LLC and HPS Investment Partners, LLC and (y) Purchaser and GSO Capital Partners LP (such agreements, as may be modified pursuant to, and in accordance with, Section 5.14, the "Debt Commitment Letters"), pursuant to which each of Ares Capital Management LLC, HPS Investment Partners, LLC and GSO Capital Partners LP have agreed, subject to the terms and express conditions thereof, to provide Purchaser with debt financing in the amounts set forth therein (the "Debt Financing") for the purpose of funding the transactions contemplated by this Agreement to occur at Closing and paying related fees and expenses. Each of the Debt Commitment Letters, in the form so delivered, is in full force and effect and is a legal, valid and binding obligation of Purchaser and, to the knowledge of Purchaser, the other parties thereto, in each case, except as such enforceability may be limited by (a) bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting or relating to creditors' rights generally and (b) the availability of injunctive relief and other equitable remedies. The Debt Commitment Letters have not been amended, supplemented or otherwise modified in any respect prior to the date of this Agreement, and the respective commitments to fund the Debt Financing thereunder have not been withdrawn, terminated or rescinded in any respect prior to the date of this Agreement. As of the date hereof, there are not any facts, events or other occurrences that make any of the representations and warranties of Purchaser in any Debt Commitment Letter inaccurate in any material respect (or in any respect with regard to amounts and availability of funds, including conditionality). The obligations to make the Debt Financing available to Purchaser pursuant to the terms of the Debt Commitment Letters are not subject to any conditions precedent, other than as expressly set forth in the Debt Commitment Letters. As of the date of this Agreement, there are no contracts or other agreements, arrangements or understandings (whether oral or written) or commitments to enter into agreements, arrangements or understandings (whether oral or written) to which Purchaser or any of its Affiliates is a party related to the Debt Financing, other than as expressly contained in the Debt Commitment Letters and delivered to Seller prior to the date hereof, that could adversely affect the conditionality, enforceability, availability and/or initial funding of the Debt Financing at Closing. Purchaser has fully paid any and all commitment fees or other fees required by the Debt Commitment Letters to be paid thereunder on or prior to the date of this Agreement. No event has occurred which, with or without notice, lapse of time or both, would or would reasonably be expected to constitute a default or breach on the part of Purchaser under any of the Debt Commitment Letters. Assuming (x) the Debt Financing is funded in accordance with the Debt Commitment Letters and (y) the satisfaction of the conditions set forth in Section 8.2 hereof, Purchaser will have on the Closing Date funds sufficient to pay all amounts required to be paid by Purchaser hereunder and under the Debt Commitment Letter in order to consummate the transactions contemplated hereby to occur on the Closing Date (the "Required Amount").

Section 4.6 Brokers. No broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission to be paid by Purchaser in connection with the Transactions based upon arrangements made by or on behalf of Purchaser.

Section 4.7 Acquisition of Purchased Units for Investment. Purchaser is purchasing the Purchased Units for investment for its own account and not with a view to, or for sale in connection with, any distribution thereof, except such views that would not cause Purchaser to be considered an "underwriter" within the meaning of the Securities Act. Purchaser (either alone or together with its advisors) has sufficient knowledge and experience in financial and business matters so as to be capable of evaluating the merits and risks of its investment in the Purchased Units to the extent of the materials and information provided by Seller and its Representatives to Purchaser and its Representatives and is capable of bearing the economic risks of such investment.

Section 4.8 Inspections; Limitation of Warranties. Purchaser has conducted its own independent investigation, review and analysis of the business, operations, assets, Liabilities, results of operations, financial condition and prospects of the Business, acknowledges that it and its Representatives have been provided adequate access to the personnel, properties, assets, premises, books and records, and other documents and data of Seller and Parent for such purpose. Purchaser acknowledges and agrees that (a) in making its decision to enter into this Agreement and to consummate the transactions contemplated hereby, Purchaser has relied solely upon its own investigation and the express representations and warranties of Seller and Parent set forth in Article IV of this Agreement (including related portions of the Seller Disclosure Schedule) and of Seller and Parent in the Ancillary Agreements and (b) neither Seller nor any other Person has made any representation or warranty as to the Business, the Purchased Units, the Purchased Assets, the Transferred Entities or this Agreement, except as expressly set forth in Article IV of this Agreement (including the related portions of the Seller Disclosure Schedule) and the other Ancillary Agreements. Except as otherwise expressly set forth in this Agreement, the Business, the Purchased Units, the Purchased Assets, the Transferred Entities and the assets and properties of the Transferred Entities are furnished "AS IS," "WHERE IS" AND, SUBJECT TO THE REPRESENTATIONS AND WARRANTIES OF PARENT AND SELLER CONTAINED IN THIS AGREEMENT, WITH ALL FAULTS AND WITHOUT ANY OTHER REPRESENTATION OR WARRANTY OF ANY NATURE WHATSOEVER, EXPRESS OR IMPLIED, ORAL OR WRITTEN, AND IN PARTICULAR, WITHOUT ANY IMPLIED WARRANTY OR REPRESENTATION AS TO CONDITION, MERCHANTABILITY OR SUITABILITY AS TO ANY OF THE PURCHASED ASSETS OR THE ASSETS OR PROPERTIES OF THE TRANSFERRED ENTITIES. Purchaser acknowledges that, except for the representations and warranties contained in Article IV and in the Ancillary Agreements, neither Seller, Parent nor any other person has made, and Purchaser has not relied on any other express or implied representation or warranty, whether written or oral, by or on behalf of Seller or Parent. Purchaser acknowledges that neither Seller, Parent nor any other Person, directly or indirectly, has made, and Purchaser has not relied on, any representation or warranty, including with respect to accuracy or completeness, regarding pro-forma financial information, financial models or modeling tools, budgets, financial projections or any other forward-looking statements with respect to the Business or generated by any of Seller, Parent or their respective Affiliates or Representatives, and Purchaser will make no claim with respect thereto.

(a) From and after the date of this Agreement, Seller and Parent shall (and shall cause their respective Subsidiaries and Representatives to) (i) permit Purchaser and its Representatives to have reasonable access to the books and records, assets, Business Employees, facilities, Contracts and data of the Business (including the Transferred Entities) and their respective Representatives which are Related to the Business (including such access as is reasonably necessary to consummate the Debt Financing), during normal business hours, upon reasonable advance written notice, consistent with applicable Law and (ii) furnish to Purchaser and its Representatives such additional financial and operating data and other information regarding the Business (or true, accurate and complete copies thereof) as Purchaser or such Representatives may from time to time reasonably request; provided, however, that Seller and Parent may withhold any access, document or information (as applicable) (x) that is subject to a legally binding duty of confidentiality owed to an independent third party, (y) that would unreasonably interfere with the conduct of Seller's or its Subsidiaries' normal operation of its other businesses, or (z) would cause a material violation of any legally binding agreement to which Seller, any of its Subsidiaries or the Transferred Entities is a party or bound. Any information provided to Purchaser or its Representatives in accordance with this Section 5.1 or otherwise pursuant to this Agreement shall be held by Purchaser and its Representatives in accordance with, shall be considered "Confidential Information" under, and shall be subject to the terms of, the Confidentiality Agreement.

(b) Subject to entry into customary confidentiality and use undertakings, to the extent reasonably required for tax, accounting, regulatory, compliance, litigation or investigation purposes (other than in connection with a dispute, claim or litigation between Purchaser or its Affiliates, on the one hand, and Parent, Seller or any of their respective Affiliates, on the other hand) and solely to the extent relating to events or occurrences or facts arising prior to the Closing, Purchaser will permit Parent, Seller and their respective duly authorized Representatives reasonable access during normal business hours (upon reasonable advance written notice to Purchaser) and without unreasonable interference with the conduct of the Business to all contracts, books, records and other data relating to the Transferred Entities conveyed and assumed at Closing to the extent that such materials were delivered to Purchaser, except where such access (x) jeopardizes the attorney-client privilege or protection under the work product doctrine or similar doctrine applicable to communications or materials or is prohibited by applicable Law; provided that in such case, Purchaser shall use commercially reasonable efforts to cause such information to be provided or protection in a manner that would not reasonably be expected to jeopardize such privilege or violate such Law or (y) is restricted by a confidentiality agreement with a third party or would cause a violation of any legally binding agreement to which Purchaser or its Affiliates is subject.

(c) Subject to entry into customary confidentiality and use undertakings, to the extent reasonably required for tax, accounting, regulatory, compliance, litigation or investigation purposes (other than in connection with a dispute, claim or litigation between Purchaser or its Affiliates, on the one hand, and Parent, Seller or any of their respective Affiliates, on the other hand) and solely to the extent relating to events or occurrences or facts arising prior to the Closing, Parent and Seller will permit Purchaser, its Affiliates and their respective Representatives reasonable access during normal business hours (upon reasonable advance written notice to Parent) and without unreasonable interference to Parent's and Seller's business to all contracts, books, records and other data relating to the Business, the Transferred Entities and the Purchased Assets to the extent that such materials were retained by Parent, Seller and their respective Affiliates, except where such access (x) jeopardizes the attorney-client privilege or protection under the work product doctrine or similar doctrine applicable to communications or materials or is prohibited by applicable Law; provided that in such case, Parent and Seller shall use commercially reasonable efforts to cause such information to be provided in a manner that would not reasonably be expected to jeopardize such privilege or protection or violate such Law or (y) is restricted by a confidentiality agreement with a third party or would cause a violation of any legally binding agreement to which Purchaser or its Affiliates is subject. Parent and Seller further agree that, after the Closing, Purchaser, its Affiliates and their respective Representatives may, at Parent's and Seller's cost and expense, make copies of those books and records (or redacted portions thereof) that have not been transferred to Purchaser and are Related to the Business, except where providing copies is prohibited by applicable Law; provided that in such case, Parent and Seller shall use commercially reasonable efforts to cause such information to be provided in a manner that would not reasonably be expected to violate such Law. From and after the Closing Date, and for no less than a period of seven (7) years, Parent and Seller will maintain the books and records Related to the Business that have not been transferred to Purchaser at the Closing.

Section 5.2 Confidentiality.

(a) The terms of the Confidentiality Agreement are incorporated into this Agreement by reference and shall continue in full force and effect until the Closing, at which time the confidentiality obligations under the Confidentiality Agreement shall terminate. If, for any reason, the Closing does not occur, the Confidentiality Agreement shall continue in full force and effect in accordance with its terms.

(b) From and after the Closing, Seller and Parent shall (and shall cause each of their respective Affiliates and Representatives to), not use or disclose to any Person (other than on a “need-to-know basis” to Representatives owing a legally binding confidentiality obligation to Parent or Seller who are instructed not to use or disclose such information other than as permitted hereunder), directly or indirectly, without Purchaser’s prior written consent, Confidential Information. Parent and Seller shall, jointly and severally, be responsible for any breach of this Section 5.2(b) by any of their respective Affiliates or Representatives.

(c) Section 5.2(b) shall not apply to disclosure of Confidential Information (i) to the extent that it becomes generally known to the public (other than as a result of disclosure in violation of Section 5.2(b)), (ii) to a director, officer or employee of Purchaser or its Affiliates with a need to know such Confidential Information, or (iii) to the extent that it is required to be disclosed by law, by a rule of a listing authority by which Parent’s shares are listed; provided that the disclosure shall to the extent permitted by Law be made after (x) consultation with Purchaser and (y) allowing Purchaser the reasonable opportunity to contest such disclosure (at its expense).

(d) Parent and Seller shall: (i) at Purchaser’s direction, enforce on Purchaser’s behalf, all confidentiality agreements and undertakings given by any other potential Purchaser of the Business, the Transferred Entities or the Purchased Assets; and (ii) upon Purchaser’s request, promptly provide Purchaser with copies of such confidentiality agreements and undertakings. Promptly after the date of this Agreement, Parent will send a letter in a form acceptable to Purchaser to the other parties to such agreements and undertakings authorizing Purchaser to recover all information (as defined in such agreements or undertakings) or requesting certification of its destruction to Purchaser, in each case, in accordance with the terms of such agreements and undertakings.

Section 5.3 Efforts.

(a) Subject to the terms and conditions set forth in this Agreement, each of Seller, Parent and Purchaser shall use their respective reasonable best efforts to take, or cause to be taken, all actions, to file, or cause to be filed, all documents and to do, or cause to be done, and to assist and cooperate with the other Parties in doing, all things necessary, proper or advisable under applicable Laws to consummate and make effective the Sale and other the Transactions as soon as practicable, including (i) the obtaining of all necessary actions or nonactions, waivers, consents, clearances, declarations, approvals and, expirations or terminations of waiting periods from Governmental Entities and the making of all necessary registrations and filings and the taking of all steps as may be necessary to obtain an approval, clearance or waiver from, or to avoid an action or proceeding by, any Governmental Entity, including in connection with any Antitrust Law (all of the foregoing, collectively, the “Governmental Consents”), (ii) the obtaining of all necessary consents, authorizations, approvals or waivers from third parties, (iii) the defending of any Actions or other legal proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the Sale or the other transactions contemplated hereby, and (iv) the execution and delivery of any additional instruments necessary to consummate the transactions contemplated this Agreement. Notwithstanding the foregoing, Purchaser agrees to take, and to cause its respective Affiliates to take, any and all steps necessary to avoid or eliminate as soon as possible each and every impediment imposed on Purchaser or its Affiliates under Antitrust Law that may be asserted by any Governmental Entity so as to enable the Parties hereto to expeditiously (and in all cases, prior to the fifth Business Day preceding the End Date) consummate the Sale and the other Transactions, including by (i) committing to and/or effecting, by consent decree, hold separate order or otherwise, the sale or disposition of such assets, securities, facilities or other properties as are required to be divested in order to facilitate the expiration or termination of the applicable Antitrust Law waiting period and otherwise obtain all applicable merger control clearances under the applicable Antitrust Law and (ii) contesting and resisting and seeking to have vacated, lifted, reversed or overturned any ruling, award, decision, injunction, judgement, order, decree or subpoena entered, issued or made by any Governmental Entity that in effect prohibits, prevents or restricts the consummation of the Sale or the other Transactions.

(c) Further, and without limiting the generality of the rest of this Section 5.3, each of the Parties shall cooperate, as promptly as practicable, in all respects with each other in connection with any filing or submission and in connection with any investigation or other inquiry and shall, subject to applicable Law, promptly (i) furnish to the other such necessary information and reasonable assistance as the other Parties may request in connection with the foregoing, (ii) inform the other Parties of any material communication from, with or to any Governmental Entity regarding any of the Transactions, and (iii) provide counsel for the other Parties with copies of all filings made by such Party, and all correspondence between such Party (and its advisors) with any Governmental Entity and any other information supplied by such Party and such Party's Subsidiaries to a Governmental Entity or received from such a Governmental Entity in connection with the Transactions; provided, however, that materials may be redacted (A) to remove references concerning competitively sensitive information and the valuation of the Business and the transactions contemplated hereby and (B) as necessary to comply with contractual arrangements. Each Party shall, subject to applicable Law, permit counsel for the other Parties to review in advance, and consider in good faith the views of the other Parties in connection with, any proposed written communication, draft filing, correspondence or submission to any Governmental Entity in connection with the Transactions. The Parties agree not to participate, or to permit their Subsidiaries to participate, in any meeting or discussion, either in person or by telephone, with any Governmental Entity in connection with the Transactions unless it consults with the other Parties in advance and, to the extent not prohibited by such Governmental Entity, gives the other Parties the opportunity to attend and participate.

(d) Any information provided to Purchaser or its representatives in accordance with this Section 5.3, Section 5.14 or otherwise pursuant to this Agreement shall be held by Purchaser and its representatives (including the Debt Financing Sources) in accordance with, shall be considered “Confidential Information” under, and shall be subject to the terms of, the Confidentiality Agreement. Section 5.10 Non-Solicitation and No-Hire of Employees. From the Closing Date until the eighteenth-month anniversary of the Closing Date, Parent and Seller (on the one hand) and Purchaser (on the other hand) will not, nor will it permit any of its respective Affiliates (including, in the case of the Purchaser, the Transferred Entities after Closing) to, directly or indirectly, solicit for employment or hire any officer, employee with an annual base compensation of \$50,000 or more, or independent contractor of any other Party hereto or its Affiliates, other than any employee or independent contractor whose relationship is terminated by such other Party or its Affiliate without cause at least twelve (12) months prior to such solicitation or hiring; provided that this Section 5.10 shall not prohibit general mass solicitations of employment not directed toward the other party, its Affiliates or its or their officers, employees or independent contractors. (c) If the final judgment of a court of competent jurisdiction declares that any term or provision of this Section 5.11 is invalid or unenforceable, the Parties agree that any arbitrator(s) appointed in accordance with Section 11.2(b) shall have the power to reduce the scope, duration, or area of the term or provision, to delete specific words or phrases, or to replace any invalid or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall thereupon be enforceable as so modified.

Section 5.12 Letters of Credit and Guarantees. Section 5.12(a) of the Seller Disclosure Schedule sets forth a true and complete list of all guarantees, indemnities, surety bonds, letters of credit and letters of comfort obtained by Seller, Parent and their respective Affiliates (other than the Transferred Entities) obtained by Seller, Parent or such Affiliates for the benefit of the Transferred Entities (the "Letters of Credit") (with Section 5.12(a)(i) of the Seller Disclosure Schedule setting forth all trade Letters of Credit and Section 5.12(a)(ii) of the Seller Disclosure Schedule setting forth all non-trade Letters of Credit). Without in any way affecting any obligation of Seller, Parent or any of their respective Affiliates prior to the Closing in respect thereof, Purchaser shall cause Seller, Parent and their respective Affiliates (other than the Transferred Entities) to be removed or released, effective as of the Closing in respect of all obligations of Seller, Parent and such Affiliates under each of the Letters of Credit and, to the extent commercially reasonable to achieve such removal or release, shall agree to substitute itself in the place of Seller, Parent and their respective Affiliates. Seller, Parent and their respective Affiliates shall take all actions reasonably requested by Purchaser or its Affiliates in connection with any such removal or release. Purchaser agrees to indemnify and hold Seller, Parent and their respective Affiliates harmless from and against any Losses incurred by Seller, Parent and their respective Affiliates after the Closing under or pursuant to any Letter of Credit. Notwithstanding the foregoing, Seller, Parent and their respective Affiliates shall only be removed or released, effective as of the date falling 36 months following the Closing Date in respect of all obligations of Seller, Parent and such Affiliates under each of the Letters of Credit that are described in Section 5.12(b) of the Seller Disclosure Schedule, following which the remaining terms of this Section 5.12 shall apply with respect to such Letters of Credit as if they had been removed or released effective as of the Closing. Parent and Seller shall be permitted to update Section 5.12 of the Seller Disclosure Schedule by written notice to Purchaser no more than three (3) Business Days prior to the Closing Date to reflect updates that have been incurred in the ordinary course of business consistent with past practice solely to the extent that the aggregate sum of the obligations under the Letters of Credit shall not increase by virtue of such updates by, with respect to trade Letters of Credit, an amount exceeding \$5,000,000.

Section 5.13 Excluded Liabilities, Earn-out and Earn-up Obligations.

(a) If Purchaser, the Transferred Entities or any of their respective Affiliates receive any notice or request, or otherwise become obligated, to pay, discharge or take any action with respect to (i) any Excluded Liability or (ii) any obligation with respect to an earn-out set forth on Section 5.13 of the Seller Disclosure Schedule (the "Earn-out Obligations"), Parent and Seller shall promptly accept and discharge such Excluded Liability or Earn-out Obligation.

(b) If Parent, Seller or any of their respective Affiliates receive any notice or request, or otherwise become obligated, to pay, discharge or take any action with respect to (i) an Assumed Liability or (ii) any obligation with respect to an earn-up set forth on Section 5.13 of the Purchaser Disclosure Schedule (the "Earn-up Obligations"), Purchaser and the Transferred Entities shall promptly accept and discharge such Earn-up Obligation.

Section 5.14 Financing.

(a) Purchaser shall use commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or advisable to arrange, and close concurrently with the Closing, the Debt Financing on and subject to the terms and conditions described in the Debt Commitment Letters, including using commercially reasonable efforts (i) to negotiate and enter into definitive agreements with respect to the Debt Financing on the terms (including, to the extent required by the Debt Financing Sources, the “market flex” provisions) and subject only to the conditions contained in the Debt Commitment Letters, (ii) to satisfy on a timely basis all conditions applicable to Purchaser in such definitive agreements, (iii) to comply with its obligations under the Debt Commitment Letters and (iv) assuming all conditions precedent in the Debt Commitment Letters have been satisfied (or duly waived), consummate or cause the consummation of the Debt Financing contemplated by the Debt Commitment Letters at the Closing. Purchaser shall, and shall cause its Affiliates to, refrain from taking, directly or indirectly, any action that is reasonably likely to result in the failure of any of the conditions contained in the Debt Commitment Letters or in any definitive agreement related to the Debt Financing to be satisfied (or duly waived) or the Debt Financing to be available concurrently with the Closing. Purchaser shall give Parent prompt notice upon becoming aware of any fact that would reasonably be expected to give rise to any material breach by any party to the Debt Commitment Letters or any breach that could impact the amount or availability of financing. Purchaser shall, upon the reasonable request of Parent, provide Parent on a prompt basis and in reasonable detail of the status of its efforts to arrange the Debt Financing and shall not permit any amendment or modification to be made to, or any waiver of any material provision or remedy under, the Debt Commitment Letters if such amendment, modification, waiver or remedy would reasonably be expected to impact or delay in any material respect the ability of Purchaser to consummate the transactions contemplated hereby. For the avoidance of doubt, Purchaser (x) may agree to or permit any amendment, supplement or other modification of, or waive any of its rights under, any Debt Commitment Letters or any definitive agreements related to the Debt Financing to the extent such amendment, supplement, modification or waiver would not (i) reduce the aggregate amount of the Debt Financing (or the cash proceeds available therefrom) below the Required Amount, (ii) impose any material new or additional conditions precedent to the availability and/or initial funding of the Debt Financing, or adversely amend or modify any of the existing conditions precedent thereto, in a manner that would reasonably be expected to result in any of the conditions precedent set forth in the Debt Commitment Letters not being satisfied, or the Debt Financing not being available to the Purchaser, on the Closing Date or (iii) otherwise reasonably be expected to materially prevent, delay or impair the availability of any of the Debt Financing or the ability of Purchaser to obtain the Debt Financing in order to consummate the Transactions at Closing, in each case, as compared to the Debt Commitment Letters as in effect on the date hereof and (y) shall not terminate, or permit the termination of, any Debt Commitment Letter, unless such Debt Commitment Letter is replaced with a new commitment in accordance with paragraph (b) below that, were it structured as an amendment to an existing Debt Commitment Letter, would satisfy the requirements of the foregoing clause (x). Upon any such amendment, supplement or modification of any Debt Commitment Letters in accordance with this Section 5.14(a), Purchaser shall provide a copy thereof to Seller, and references to the “Debt Commitment Letters” shall include such documents as permitted to be amended, supplemented or modified under this Section 5.14(a), and references to the “Debt Financing” shall include the financing contemplated by the Debt Commitment Letters as permitted to be amended, supplemented or modified under this Section 5.14(a).

(b) If any portion of the Debt Financing becomes unavailable on the terms and conditions (including the “market flex” provisions) contemplated in the Debt Commitment Letters, Purchaser shall promptly notify Parent and shall and Purchaser shall, and shall cause its Affiliates to, use best efforts to obtain, as promptly as practicable following the occurrence of such event, replacement commitments in amounts and on terms that will enable Purchaser to consummate the Transactions at Closing; provided that the terms of any such replacement commitments (i) shall not be reasonably likely to materially impair or delay the availability and/or funding of the Debt Financing or the Closing and (ii) shall not have conditionality materially more onerous than that in the Debt Commitment Letters. Purchaser shall deliver to Seller complete and correct copies of all amendments, supplements, other modifications or agreements (including redacted fee letters) pursuant to which any amended, supplemented, modified or replacement commitments shall provide Purchaser with any portion of the Debt Financing. Purchaser shall promptly deliver to Parent true and complete copies of all commitment letters and/or agreements relating to such alternative debt financing (which such commitment letters shall also be deemed to constitute the Debt Commitment Letters).

(c) Parent agrees to use commercially reasonable efforts to cause Seller or any of its respective Affiliates (including legal and accounting employees) to provide such cooperation as shall be reasonably requested by Purchaser in connection with the Debt Financing, including: (i) participating in a customary and reasonable number of meetings, presentations, due diligence sessions, drafting sessions, road shows and sessions with rating agencies and assisting Purchaser in obtaining ratings as contemplated by the Debt Financing, (ii) assisting with the preparation of materials for rating agency presentations, offering documents, lender presentations, bank information memoranda and similar documents for the Debt Financing, including execution and delivery of customary representation and/or authorization letters in connection with bank information memoranda, (iii) furnishing Purchaser with (y) all financial information regarding the Transferred Entities and the Business reasonably requested and necessary for Purchaser to prepare the pro forma financial statements required pursuant to Section 5 of Exhibit A and clause (c) of Annex III, as applicable, of the Debt Commitment Letters and (z) all other financial and pertinent information as may be reasonably requested by Purchaser to satisfy the terms and conditions set forth in the Debt Commitment Letters; (iv) providing any information necessary to permit the preparation of the Definitive Documents and documents to be delivered pursuant thereto, including the officer's certificates, customary closing documents and or other financing deliverables, certificates or documents for the Debt Financing as contemplated by the Debt Commitment Letters or as may be reasonably requested by Purchaser (including customary consents of accountants for use of their reports in any materials relating to the Debt Financing) or otherwise reasonably facilitating granting of security and the pledging of collateral, (v) providing any information necessary for the preparation and delivery of, as of the Closing Date, a certificate of the chief financial officer (or other comparable officer) of Purchaser with respect to solvency matters, (vi) assisting Purchaser to obtain waivers, consents, estoppels and approvals from other parties to material leases, encumbrances and contracts to which any Transferred Entity is a party and arranging discussions among Purchaser and the Debt Financing Sources with other parties to material leases, encumbrances and contracts as of the Closing Date, (vii) taking all actions, subject to the occurrence of the Closing Date, reasonably requested by Purchaser that are necessary or customary to permit the consummation of the Debt Financing, and to permit the proceeds thereof, together with cash at any Transferred Entity (not needed for other purposes), to be made available to the Purchaser on the Closing Date to consummate the Transactions, (viii) cooperating with Purchaser in its efforts to obtain accountants' comfort letters, consents, legal opinions, surveys, appraisals, engineering reports, environmental and other inspections, title insurance and other third-party documentation and items relating to the Debt Financing, as reasonably requested by Purchaser, (ix) assisting in the obtainment of inventory appraisals and field examinations as promptly as practicable, (x) taking all actions reasonably necessary to permit the prospective lenders involved in the Debt Financing to evaluate the Business's current assets, cash management and accounting systems, policies and procedures relating thereto for the purpose of establishing collateral arrangements to the extent customary and reasonable, (xi) at least five business days prior to the Closing Date, provide information regarding any Transferred Entities reasonably required by regulatory authorities under applicable “know your customer” and anti-money laundering rules and regulations, including the USA Patriot Act of 2001, to the extent requested in writing at least 10 business days prior to the Closing Date, (xii) obtaining and facilitating the negotiation of the payoff letters referenced in Section 2.4(b)(i) (G), (xiii) permitting the reasonable use by Purchaser and its Affiliates of Parent's, its Affiliates' and the Business's logos for syndication and underwriting, as applicable, of the Debt Financing (subject to advance review of and consultation with respect to such use) and (xiv) reasonably cooperating with the marketing and syndication efforts of Purchaser in connection with all or any portion of the Debt Financing, including reasonable direct contact between senior management, on the one hand, and any actual and potential debt financing sources, on the other hand, and any actions necessary to ensure that Purchaser's marketing and syndication efforts benefit from Parent's and its Affiliates' existing banking relationships; provided that (x) such requested cooperation shall not unreasonably interfere with the ongoing operations of Parent and its Affiliates and (y) the board of directors (or similar body), directors and officers of each of the Parent, the Seller and their respective affiliates shall not be required, prior to the Closing, (A) to adopt resolutions approving the agreements, documents and instruments in connection with the Debt Financing, (B) to execute, prior to the Closing, any agreements, documents or instruments in connection with the Debt Financing that are effective prior to the Closing or (C) to take any action that would subject them to actual or potential liability or make any other payment (other than payments for which the Purchaser is obligated to reimburse the Parent) or incur any other liability or provide or agree to provide any indemnity, guarantee or pledge, in each case, in connection with the Debt Financing. Purchaser shall, promptly upon request by Parent, reimburse Parent for all reasonable and documented out-of-pocket costs (in the case of attorney's fees, limited to reasonable and documented fees in respect of one firm of outside counsel) incurred by Parent or any of its Affiliates in connection with such cooperation prior to the Closing Date. Purchaser shall indemnify and hold harmless Parent and its Affiliates from and against any Losses suffered or incurred by them in connection with the arrangement of the Debt Financing and any information utilized in connection therewith, in each case except, to the extent suffered or incurred as a result of the bad faith, gross negligence or willful misconduct by Parent, its Affiliates or any of their respective representatives. Notwithstanding anything to the contrary in this Agreement, the condition set forth in Section 8.2(b) as it applies to Parent and Seller's obligations under this Section 5.14(c) shall be deemed satisfied unless the Debt Financing has not been obtained primarily as a result of Parent's or Seller's Willful Breach of its obligations under this Section 5.14(c).

Section 5.15 Deferred Assets.

(a) Notwithstanding anything in this Agreement to the contrary, unless and until such consent, waiver, approval or other authorization is obtained, this Agreement shall not constitute an assignment or transfer of any Purchased Asset (including any Contract or Business Permit or any claim, right or benefit arising thereunder or resulting therefrom, in each case, included in the Purchased Assets) if (i) any assignment or transfer thereof (whether by operation of law or otherwise), without the consent, waiver, approval or other authorization of any Person other than Seller or its Affiliates, would constitute a breach or other contravention thereof or be ineffective with respect to any party thereto or would violate any applicable Law and (ii) such consent, waiver, approval or other authorization has not been obtained at or prior to the Closing (each such asset, other than those referred to on Exhibit B of the Letter Agreement that are retained by Parent (or its nominee) in accordance with the terms and conditions of the Letter Agreement, a "Deferred Asset").

(b) With respect to any such Deferred Asset, Seller shall (and shall cause its Affiliates to) cooperate with Purchaser and (i) use its commercially reasonable efforts to obtain, or cause to be obtained, all consents, waivers, approvals or other authorizations required to assign or transfer such Deferred Asset to Purchaser (or its designee) and (ii) upon obtaining the requisite consents, waivers, approvals, other authorizations or amendments thereto, assign all rights associated with such Deferred Asset to Purchaser (or its designee), in each case, without the payment of any consideration by Purchaser or any of its Affiliates or agreement by any such Person to any adverse amendments, modifications or waivers of any material terms of any Purchased Assets in order to obtain such consents. Purchaser shall (and shall cause its Subsidiaries to) cooperate with Seller and use its commercially reasonable efforts to obtain such consents, waivers, approvals or other authorizations and approvals only to the extent that the corresponding benefit is actually received by Purchaser or its Subsidiaries.

(c) If any consent or approval required to assign or transfer any Deferred Asset is not obtained at or prior to Closing, then, for a period of up to thirty-six (36) months following the Closing Date, (x) Seller and Purchaser shall each use commercially reasonable efforts to provide Purchaser and its Affiliates the maximum allowable use of the Deferred Assets (which shall include, at a minimum, the economic benefits and burdens of such Deferred Assets), including by establishing an agency type or other similar arrangement reasonably satisfactory to Purchaser under which Purchaser would obtain, to the fullest extent practicable, the claims, rights and benefits and assume the corresponding liabilities and obligations thereunder from and after the Closing in accordance with this Agreement (including by means of any subcontracting, sublicensing or subleasing arrangement) and (y) to the extent permitted by Law, Seller shall (and shall cause its Affiliates to) exercise, enforce and exploit, only at the direction of and for the benefit of Purchaser, any and all claims, rights and benefits of Seller or its applicable Affiliate arising in connection with such Deferred Asset. During such period and without further consideration, (i) Seller will (or will cause its applicable Affiliates to) promptly pay, assign and remit to Purchaser when received all monies and other consideration relating to the period after the Closing Date received by it under any Contract or any claim, right or benefit arising thereunder not transferred pursuant to this Section 5.15 and (ii) Purchaser will promptly pay, perform or discharge when due any Liability (including any Tax Liability) arising thereunder after the Closing Date.

(d) The Parties agree that nothing under this Section 5.15 shall be interpreted to require Purchaser, Parent, Seller or any of their respective Affiliates to pay any amount, incur any obligation in favor of or offer or grant any accommodation (financial or otherwise) in order to obtain any such consents, waivers, approvals or other authorizations.

Section 5.16 No Shop.

(a) Parent shall, and shall cause its controlled Affiliates and Representatives to (i) immediately cease and cause to be terminated any solicitation, encouragement, discussion or negotiation with any Person conducted heretofore by Parent or any of its Affiliates or Representatives with respect to any Acquisition Transaction and (ii) with respect to any Person and its Representatives who have received access to any electronic data room granted in connection with any Acquisition Transaction, promptly terminate the access of any such Person and its Representatives to any electronic data room granted in connection with such Acquisition Transaction.

Parent and Seller shall be jointly and severally responsible for any breach of this Section 5.16 by their respective Representatives or Affiliates.

(c) Seller and Parent (on behalf of themselves and their Representatives) agree and acknowledge that the time, scope and other provisions of this Section 5.16 have been specifically negotiated by sophisticated commercial parties and specifically hereby agree and acknowledge that such time, scope and other provisions are reasonable under the circumstances and are necessary to induce Purchaser to enter into this Agreement. It is further agreed that other remedies cannot fully compensate Purchaser for a violation by Parent or its Affiliates, subsidiaries or Representatives of the terms of this Section 5.16 and that Purchaser shall be entitled to injunctive relief and specific performance in accordance with Section 11.7 to prevent any such violation or threatened violation or continuing violation by Parent (or any of its Affiliates, subsidiaries or Representatives). It is the intent and understanding of each Party that if, in any Action, any term, restriction, covenant or promise herein is found to be unreasonable and for that reason unenforceable, then such term, restriction, covenant or promise shall be deemed modified to the extent necessary to make it enforceable to the maximum extent permitted by Law.

Section 5.17 Reorganization.

(a) Prior to the Closing, Parent will cause the consummation of the Reorganization. Parent and Seller shall afford Purchaser reasonable visibility, cooperation and input on the process surrounding the Reorganization. Parent and Seller shall effect the Reorganization in a manner that is consistent with the steps plan set forth on Exhibit A and terms of this Section 5.17, and shall not, except in the case of any de minimis deviation, deviate therefrom without the prior written consent of Purchaser (such consent not to be unreasonably withheld, delayed or conditioned; and provided that, such consent shall be deemed to have been granted by Purchaser if it does not respond to Parent or Seller's written notice of any such deviation within five (5) Business Days following receipt thereof).

(b) Prior to the Closing, Parent and Seller shall take or cause to be taken, at Parent's and Seller's sole cost and expense, such action as is necessary or appropriate to transfer, assign or convey (i) any assets owned or held by the Transferred Entities other than those that would constitute Purchased Assets or (ii) any Liabilities or obligations of the Transferred Entities other than those that would constitute Assumed Liabilities, in each case, to Seller or an Affiliate of Seller (other than the Transferred Entities) such that as of the Closing, (x) the assets owned or held by the Transferred Entities consist solely of assets that would otherwise constitute Purchased Assets and (y) the Liabilities and obligations of the Transferred Entities consist solely of Liabilities and obligations that would otherwise constitute Assumed Liabilities.

(b) The Preliminary Information Statement and the Final Information Statement (and, in each case, any amendment or supplement thereto) will comply with the applicable requirements of the Exchange Act and DGCL, including the requirement that such documents do not contain any statement which, at the time and in the light of the circumstances under which it is made, is false or misleading with respect to any material fact, or which omits to state any material fact necessary in order to make the statements therein not false or misleading or necessary to correct any statement in any earlier communication with respect to the same meeting or subject matter which has become false or misleading.

(c) Prior to filing the Preliminary Information Statement with the SEC, Purchaser will provide Parent with a reasonable opportunity to review and comment on such document, and shall consider in good faith comments reasonably proposed by Parent and its Representatives.

From and after the date hereof, Parent and Seller shall provide Purchaser and the Transferred Entities with such reasonable assistance as they may request from time to time (at Purchaser's sole cost and expense) in connection with the preparation of financial statements and other similar financial information to the extent necessary for Purchaser to comply with its obligations under applicable U.S. securities Laws (including, but not limited to such financial information as is reasonably necessary to prepare customary pro forma financial statements after giving effect to the Transactions), taking into account any information and assistance already provided by Parent and Seller in connection with its obligations under Section 5.14(c).

Section 5.25 Licensor Audits. With respect to any audit conducted by a licensor pursuant to the terms of an Acquired License Agreement, which audit pertains to periods both prior to and following the Closing, the Party that has the greatest potential economic exposure to such audit (taking into account whether the result of such audit would constitute Assumed License Agreement Liabilities, based on the risk allocation structure under this Agreement) (the "Audit Party") shall assume responsibility for responding to such audit and the other Party (the "Non-Audit Party") shall, acting in good faith, provide any co-operation as is reasonably requested by the Audit Party in connection with its response to such audit; provided that, the Audit Party shall not enter into a settlement or compromise with respect to such audit if such settlement or compromise will result in any economic exposure for the Non-Audit Party, without the prior written consent of the Non-Audit Party (such consent not to be unreasonably withheld, delayed or conditioned).

ARTICLE VI

EMPLOYEE MATTERS COVENANTS

Section 6.1 Business Employees. At least two (2) Business Days prior to the Closing and in accordance with the steps set forth in the Reorganization, Parent and Seller shall, and shall cause their respective Affiliates to, transfer the employment of each Business Employee based in the United States to Newco (each Business Employee whose employment is so transferred and remains employed by Newco as of the Closing, a "Continuing Employee").

Section 6.2 No Third-Party Beneficiaries. The provisions of this Article VI are solely for the benefit of the Parties to this Agreement, and no Business Employee, Former Business Employee, Continuing Employee or any other individual associated therewith shall be regarded for any purpose as a third-party beneficiary of this Agreement as a result of this Article VI. In no event shall any provision of this Article VI be deemed to create or amend any employee benefit plan or to create any enforceable rights under any such plan.

ARTICLE VII

TAX MATTERS

Section 7.1 Tax Indemnity by Seller.

(a) Seller or Parent shall pay or cause to be paid, and, jointly and severally, shall indemnify Purchaser and its Affiliates (including the Transferred Entities, effective from and after Closing) (each, a “Purchaser Tax Indemnitee”) and hold each Purchaser Tax Indemnitee harmless from and against (i) any Excluded Taxes, (ii) any Taxes attributable to any breach of any covenant or agreement of, or any representation or warranty in Section 3.12 made by, Seller contained in this Agreement without regard to the terms “material,” “materiality,” “Material Adverse Effect,” and other similar or correlative qualifications, (iii) any Transfer Taxes that Seller is responsible for under Section 7.11 and (iv) all costs and expenses, including reasonable advisory fees and expenses, attributable to any item described in clauses (i) through (iii) of this Section 7.1(a).

(b) From and after the Closing Date, Purchaser shall indemnify and hold Seller and its Affiliates harmless from and against (i) any Taxes of the Transferred Entities, Purchased Assets, or the Business other than amounts for which a Purchaser Tax Indemnitee is indemnified under Section 7.1(a), to the extent such Taxes relate solely to the Post-Closing Period (ii) any Taxes resulting from a breach of any obligation of Purchaser and its Affiliates (including the Transferred Entities, effective from and after Closing) set forth in this Article VII, (iii) any Incremental Section 338 Liability and (iv) all costs and expenses, including reasonable advisory fees and expenses, attributable to any item described in clauses (i) through (iii) of this Section 7.1(b).

Section 7.2 Straddle Periods. For purposes of this Agreement, in the case of any Straddle Period, the Parties shall, to the extent permitted or required under applicable Law, elect with the relevant Governmental Entity to treat a portion of any Straddle Period as a short Tax period ending as of the close of business on the Closing Date. For any Tax period that does not close on the Closing Date, unless otherwise required under applicable Law, (i) property Taxes or other ad valorem Taxes allocable to the Pre-Closing Tax Period shall be equal to the amount of such Taxes for the entire Straddle Period multiplied by a fraction, the numerator of which is the number of calendar days during the Straddle Period that are in the Pre-Closing Tax Period and the denominator of which is the number of calendar days in the entire Straddle Period, and (ii) Taxes (other than those described in clause (i)) allocable to the Pre-Closing Tax Period shall be computed on a “closing of the books” basis as if such Taxable period ended as of the end of the day on the Closing Date; provided that exemptions, allowances or deductions that are calculated on an annual basis (including, but not limited to, depreciation and amortization deductions) shall be allocated between the period ending on the Closing Date and the period beginning after the Closing Date in proportion to the number of days in each period. For purposes of the foregoing, each Subsidiary of a Transferred Entity that is classified as a “flow-through” entity shall be treated as if the taxable year of such entity had ended as of the close of business on the Closing Date. For the absence of doubt, in the case of a Straddle Period of a CFC, the amount includible under Section 951(a) of the Code (and any related foreign Tax credit under Section 960 of the Code) in respect of such CFC that is attributable to the Pre-Closing Tax Period portion of the Straddle Period shall be determined on a “closing of the books” basis as if the taxable year of the CFC had ended as of the close of business on the Closing Date.

Section 7.3 Filing Responsibility.

(a) Seller shall, at its own cost, timely prepare and file, or shall cause to be timely prepared and filed, in accordance with applicable Law, (i) any Combined Tax Return and (ii) any Tax Return required to be filed by or with respect to any of the Transferred Entities, the Purchased Assets or the Business that is due (including extensions) on or before the Closing Date (a "Seller Return"). Seller shall timely pay or shall cause the timely payment of all Taxes shown to be due on the Seller Returns. Each Seller Return described in clause (ii) of the second preceding sentence shall be prepared in a manner consistent with past practice, accounting methods and elections of the Transferred Entities, unless otherwise required by law.

(b) Subject to Section 7.3(c), Purchaser shall, at its own cost, timely prepare and file, or shall cause to be timely prepared and filed, in accordance with applicable Law, all Tax Returns required to be filed by or with respect to the Transferred Entities, the Purchased Assets or the Business other than any such Tax Returns that are the responsibility of Seller under Section 7.3(a). In the case on any such Tax Return that (i) is for a Pre-Closing Tax Period ending on or before the Closing Date (a "Purchaser Pre-Closing Tax Return") or (ii) is for a Straddle Period (any Tax Return described in clause (ii), a "Purchaser Straddle Period Tax Return," and together with any Tax Return described in clause (i), the "Purchaser Tax Returns"), Purchaser shall prepare or cause to be prepared any such Purchaser Tax Return in a manner consistent with past practice, accounting methods and elections of the members of the Seller Group and the Transferred Entities prior to the Closing, except to the extent not reflecting a position that is "more likely than not" correct. Notwithstanding any other provision in this Agreement, Purchaser shall not, and shall cause its Affiliates not to, amend or revoke after submission any Purchaser Tax Return or Seller Return without the prior written consent of Seller (which consent shall not be unreasonably conditioned, withheld or delayed).

(c) In the case of any Purchaser Tax Return, Purchaser shall, or shall cause the Transferred Entities to, deliver to Seller for its review, comment and approval (which approval shall not be unreasonably conditioned, withheld or delayed) a copy of such proposed Purchaser Tax Return (accompanied, in the case of any Purchaser Straddle Period Tax Return, by an allocation between the Pre-Closing Tax Period and the Post-Closing Period of the Taxes shown to be due on such Tax Return) at least thirty (30) Business Days prior to the due date therefor (taking into account extensions). In the case of any such Purchaser Tax Return that is a Purchaser Pre-Closing Tax Return, Purchaser shall accept and reflect on such Purchaser Pre-Closing Tax Return any comments provided by Seller in writing at least fifteen (15) Business Days (taking into account extensions) before such due date (and, in the event no written comments have been so provided by Seller, Seller shall be deemed to have approved the copy of the Tax Return delivered pursuant to the preceding sentence). In the case of any such Purchaser Tax Return that is a Purchaser Straddle Period Tax Return, Purchaser shall accept and reflect on such Purchaser Straddle Period Tax Return any reasonable comments provided by Seller in writing at least ten (10) Business Days before such due date (and, in the event no written comments have been so provided by Seller, Seller shall be deemed to have approved the copy of the Tax Return delivered pursuant to the preceding sentence). If Purchaser disputes any of Seller's comments to any such Purchaser Straddle Period Tax Return, Purchaser shall notify Seller of such disputed items (or items) and Seller and Purchaser shall act in good faith to resolve any such dispute prior to the due date for filing the relevant Purchaser Straddle Period Tax Return (taking into account extensions). If Seller and Purchaser cannot resolve any disputed item, the item in question shall be resolved by an accounting firm mutually acceptable to Seller and Purchaser in accordance with the terms of this Agreement. The fees and expenses of such accounting firm shall be borne equally by Seller and Purchaser. No later than five (5) Business Days prior to the due date (taking into account extensions) of any Purchaser Tax Return delivered to Seller pursuant to this Section 7.3(c), Seller shall pay to Purchaser the amount of Excluded Taxes shown to be due thereon.

Section 7.4 Tax Contests. (a) If any taxing authority asserts a Tax Claim, then a Party to this Agreement first receiving notice of such Tax Claim promptly shall provide written notice thereof to the other Party or Parties to this Agreement; provided, however, that the failure of such Party to give such prompt notice shall not relieve any other Party of any of its obligations under this Article VII, except to the extent that the other Party is actually prejudiced thereby. Such notice shall specify in reasonable detail the basis for such Tax Claim and shall include a copy of the relevant portion of any correspondence received from the taxing authority.

(b) Seller shall have the sole right to control any audit, examination, contest, litigation or other proceeding by or against any taxing authority (a "Tax Proceeding") with respect to (i) any Combined Tax Return, (ii) any Tax Return of or Taxes imposed on or with respect to Seller, any member of the Seller Group or any of their respective Affiliates (including, prior to Closing the Transferred Entities), (iii) any Tax Return of or Taxes imposed on or with respect to any of the Transferred Entities for a taxable period ending on or before the Closing Date, and (iv) any Tax Return or Taxes imposed on or with respect to the Purchased Assets, the Assumed Liabilities or the Business for a taxable period ending on or before the Closing Date, provided, however, that in the case of a Tax Proceeding described in clause (iii) or (iv), (A) Seller shall inform Purchaser of its election to control such Tax Proceeding within 10 days of receiving notice thereof and, thereafter, (B) Seller shall diligently prosecute such Tax Proceeding in good faith, (C) Seller shall keep Purchaser reasonably informed of the status of developments with respect to such Tax Proceeding and (D) Seller shall not settle or concede any such Tax Proceeding without the prior written consent (which consent shall not be unreasonably withheld, delayed or conditioned) of Purchaser if such settlement or concession could reasonably be expected to have the effect of materially increasing the Tax Liability of (or materially decreasing any Tax asset available to) a Purchaser Tax Indemnitee.

(c) Purchaser shall have the right to control any Tax Proceeding involving the Transferred Entities other than any Tax Proceeding described in Section 7.4(b); provided that, in the case of any such Tax Proceeding with respect to (i) any Tax Return of or Taxes imposed on or with respect to any of the Transferred Entities for a Straddle Period, (ii) any Tax Return or Taxes imposed on or with respect to the Purchased Assets, the Assumed Liabilities or the Business for a Straddle Period or (iii) Excluded Tax, (A) Purchaser shall inform Seller in a timely manner and in reasonable detail about the conduct of such Tax Proceeding; (B) Purchaser shall consult with Seller before taking any significant action in connection with such Tax Proceeding and offer Seller an opportunity to comment before submitting any written materials prepared or furnished in connection with such Tax Proceeding, (C) Purchaser shall defend such Tax Proceeding diligently and in good faith as if it were the only party in interest in connection with such Tax Proceeding, (D) Seller shall be entitled, at its own expense, to participate in such Tax Proceeding, and (E) Purchaser shall not settle, compromise or abandon any such Tax Proceeding without obtaining the prior written consent of Seller, which consent shall not be unreasonably withheld, conditioned or delayed.

Section 7.5 Combined Returns and Seller Returns. Notwithstanding any other provision of this Agreement, (a) Seller shall be entitled to control in all respects, and neither Purchaser nor any of its Affiliates shall be entitled to participate in, any Tax Proceeding with respect to any Combined Tax Return or any other Tax Return of Seller, any other member of the Seller Group or any of their respective Affiliates and (b) Seller shall not be required to provide any person with any such Combined Tax Return or other Tax Return of Seller, any other member of the Seller Group or any of their respective Affiliates or copy thereof (provided, however, that to the extent that any such Tax Return would be required to be delivered but for this Section 7.5, Seller shall instead deliver a pro forma Tax Return relating solely to the Transferred Entities, the Business or the Purchased Assets, as applicable).

Section 7.6 Cooperation and Exchange of Information. Not more than sixty (60) days after the receipt of a reasonable written request from Seller for a customary package of Tax information materials, Purchaser shall, and shall cause its Affiliates to, provide to Seller a package of Tax information materials, including schedules and work papers, reasonably required by Seller to enable Seller to prepare and file all Tax Returns required to be prepared and filed by it with respect to the Transferred Entities. Purchaser shall prepare such package in a manner consistent with Seller's past practice. Each Party to this Agreement shall, and shall cause its Affiliates to, provide to the other Party to this Agreement such cooperation, documentation and information as either of them reasonably may request in (a) filing any Tax Return, amended Tax Return or claim for refund; (b) determining a Liability for Taxes or an indemnity obligation under this Article VII or a right to refund or credit of Taxes; (c) conducting any Tax Proceeding; or (d) determining an allocation of Taxes between a Pre-Closing Tax Period and Post-Closing Period. Such cooperation and information shall include providing reasonably requested powers of attorney and copies of all relevant Tax Returns and other relevant schedules, work papers, records and other documents. Each Party shall (and shall cause its Affiliates to) retain all Tax Returns, schedules and work papers, and all material records and other documents relating to Tax matters of the Transferred Entities with respect to any Pre-Closing Tax Period until the later of (i) the expiration of the relevant statute of limitations or (ii) eight (8) years following the due date (without extension) for such Tax Returns. Thereafter, a Party holding such Tax Returns or other documents may dispose of them after offering the other Party reasonable notice and opportunity to take possession of such Tax Returns and other documents at such other Party's own expense. Each Party shall make its employees reasonably available on a mutually convenient basis at its cost to provide explanation of any documents or information so provided.

Section 7.7 Coordination. Claims for indemnification with respect to Taxes shall be governed exclusively by this Article VII and the provisions of Article X (other than Section 10.1, Section 10.3(b), Section 10.6, Section 10.7, Section 10.8 and Section 10.9) shall not apply.

Section 7.8 Survival. The indemnification obligations contained in this Article VII shall survive the Closing Date until the expiration of the applicable statutory periods of limitation.

Section 7.9 Tax Treatment of Payments. Except to the extent otherwise required pursuant to a “determination” within the meaning of Section 1313(a) of the Code (or any similar provision of state, local or foreign Law), Seller, Purchaser, the Transferred Entities and their respective Affiliates shall treat any and all payments under this Article VII or Article X as an adjustment to the purchase price for Tax purposes.

Section 7.10 Purchase Price Allocation. Seller and Purchaser agree to allocate the Purchase Price and the Assumed Liabilities (and other relevant amounts) among the Purchased Units and the Purchased Assets in a manner consistent with and as provided in Section 7.12 (the “Purchase Price Allocation”). The Purchase Price Allocation shall be binding upon Purchaser and Seller. Except to the extent required pursuant to a “determination” within the meaning of Section 1313(a) of the Code (or any similar provision of state, local or foreign Law), (a) Seller and Purchaser shall file, and shall cause their respective Affiliates to file, all Tax Returns (including, without limitation, IRS Form 8594 and any corresponding state, local, or foreign tax form) in a manner consistent with the Purchase Price Allocation and (b) Seller and Purchaser shall not, and shall cause their respective Affiliates not to, take any position in any Tax Proceeding or otherwise inconsistent therewith.

Section 7.11 Transfer Taxes. Notwithstanding anything to the contrary in this Agreement, Seller, on the one hand, and Purchaser, on the other hand, shall each be responsible for fifty percent (50%) of any sales, use, transfer (including any indirect real estate transfer), documentary, stamp, value-added or similar Taxes and related fees (“Transfer Taxes”) imposed on the sale or transfer of the Purchased Units and the Purchased Assets pursuant to this Agreement or the entering into of this Agreement. Seller shall prepare and file any Tax Returns with respect thereto.

Section 7.12 Tax Elections.

(a) Seller and Purchaser shall join in making an election under Section 338(h)(10) of the Code (and any corresponding equivalent elections under state, local or non-US tax law) (a “Section 338(h)(10) Election”) with respect to the deemed purchase and sale of the units of the Transferred Entities listed on Section 7.12 of the Seller Disclosure Schedule under this Agreement such that Purchaser is treated as acquiring the assets of those Transferred Entities for U.S. federal income, state, local and/or franchise tax purposes. Except as otherwise provided herein, Seller shall include in all relevant Tax calculations and filings any income, gain, loss, deduction or other Tax item resulting from the Section 338(h)(10) Election, including any Tax imposed under Treasury Regulations Section 1.338(h)(10)-1.

(b) Within thirty (30) days after the final resolution of Purchase Price under Section 2.5, Purchaser shall deliver a draft allocation of the “aggregate deemed sales price” (“ADSP,” and such allocation, the “ADSP Allocation”) with respect to the assets of the Transferred Entities to Seller for Seller’s review and consent. Such allocation shall be in accordance with Section 338 of the Code and the applicable Treasury Regulations promulgated thereunder or comparable provisions for state, local and foreign Tax law. If, within thirty (30) days after the receipt of the draft ADSP Allocation, Seller notifies Purchaser in writing that Seller disagrees with the ADSP Allocation, then the parties shall attempt in good faith to resolve their disagreement within ten (10) days following Seller’s notification to Purchaser of such disagreement. If Seller does not so notify Purchaser within thirty (30) days of receipt of the draft allocation, or upon resolution of the disputed items by the parties, such allocation shall become final. If the parties are unable to resolve their disagreement within the ten (10) days following any such notification by Seller, then the parties shall submit all such disputed items for resolution to the Independent Accountant, whose decision shall be final and binding upon the parties and whose fees and expenses shall be borne equally by the parties. The parties shall act in good faith to cause the Independent Accountant to determine the final ADSP Allocation twenty (20) days after such submission.

(c) Upon notice by Seller, Purchaser shall, pay to Seller, in cash, the amount of additional consideration necessary to cause Seller Group’s net after state and local income tax (but without regard to federal income tax) consideration received from the sale of the stock of the Transferred Entities with the Section 338(h)(10) Election to be equal to the net after state and local income tax (but without regard to federal income tax) consideration that would have been received by Seller Group pursuant to this Agreement had the Section 338(h)(10) Election not been made, taking into account all appropriate state and local Tax implications but without regard to any federal income Tax implications, and as calculated in accordance with the provisions of this Section 7.12(c) and Section 7.12(d) (the “Incremental Section 338 Liability”), provided, however, that the Incremental Section 338 Liability shall not be greater than \$2,500,000 or less than zero.

(d) Within thirty (30) days after the ADSP Allocation becomes final, Seller shall provide Purchaser with a schedule computing the amount of the Incremental Section 338 Liability. Such schedule shall be consistent with the final ADSP Allocation. In making such calculation, the highest corporate state and local tax rates to which the applicable parent of the group (or groups) of which the Transferred Entities are members for state and local tax purposes is subject shall be used and any other items of income, deduction, gain, loss, or credits of such group (or groups) shall be ignored. Seller shall cooperate with the Purchaser in reviewing the calculations and shall provide the Purchaser reasonable access to the supporting documentation for the calculation of the Incremental Section 338 Liability.

(e) If the Purchaser disagrees with the Seller’s calculation of the Incremental Section 338 Liability and the parties are unable to resolve their disagreement within twenty (20) days of receipt of the schedule, the parties shall refer such dispute to the Independent Accountant whose decision shall be final and binding and whose fees and expenses shall be borne equally by Seller and Purchaser. The parties shall act in good faith to cause the Independent Accountant to determine the Incremental Section 338 Liability within twenty (20) days after such submission. Purchaser shall pay to Seller the amount of such Incremental Section 338 Liability within ten (10) days after the final determination of the Incremental Section 338 Liability.

(f) In connection with the Section 338(h)(10) Election (or as soon thereafter as reasonably practicable), the Parties shall file all federal, state, local and other forms necessary to make the Section 338(h)(10) Election jointly and shall make any required filings and take any and all other reasonable actions necessary or appropriate to effect the Section 338(h)(10) Election. Seller shall include in Seller's income Tax Returns for the taxable period, which includes the Closing Date, any forms that are required to be so included on account of the Section 338(h)(10) Election. Seller and Purchaser shall cooperate fully, and in good faith, with each other in making the Section 338(h)(10) Election. No later than ninety (90) days after the Closing Date, Purchaser and Seller shall sign and date IRS Form 8023 or a signature schedule attached thereto, shall provide their taxpayer identification numbers, shall sign any corresponding state or local forms required in connection with the Section 338(h)(10) Election, and shall provide any other information required by Form 8023 and any corresponding state or local form. All such forms to be signed shall be prepared by Purchaser. Purchaser shall retain and promptly file the executed IRS Form 8023 and corresponding state and local forms and shall provide to Seller a copy of each such form.

ARTICLE VIII

CONDITIONS TO OBLIGATIONS TO CLOSE

Section 8.1 Conditions to Obligation of Each Party to Close. The respective obligations of each Party to consummate the Transactions shall be subject to the satisfaction or, to the extent permitted by Law, written waiver by each of Purchaser, in its sole discretion, and Parent, in its sole discretion, in each case, at or prior to the Closing of the following conditions:

(a) *Antitrust Approvals.* (i) The waiting period (including any extension thereof) applicable to the consummation of the Transactions under the HSR Act shall have expired or been terminated and (ii) all filings, authorizations, consents and approvals of or expirations of waiting periods imposed pursuant to the antitrust or competition laws and/or foreign investment control laws set forth on Section 8.1(a) of the Seller Disclosure Schedule shall have been obtained or filed or shall have occurred.

(b) *No Injunctions.* No Action commenced by a Governmental Entity which seeks, directly or indirectly, to challenge or make illegal or otherwise enjoin, prohibit, prevent or restrain the consummation of the Transactions, shall have been commenced or be continuing. No Order, legal restraint or prohibition, whether temporary, preliminary or permanent, shall be entered, enacted, promulgated, enforced or issued by any Governmental Entity, or shall otherwise be in effect, that would or could reasonably be expected to, directly or indirectly, challenge or make illegal or otherwise enjoin, prohibit, prevent or restrain the consummation of the Transactions.

(c) *Stockholder Approval.* Each of (i) the Parent Stockholder Approval and (ii) the Purchaser Stockholder Approval shall have been obtained.

Section 8.2 Conditions to Purchaser's Obligation to Close. Purchaser's obligation to consummate the Transactions shall be subject to the satisfaction or written waiver by Purchaser, in its sole discretion, on or prior to the Closing Date of all of the following conditions:

(a) *Representations and Warranties.* (i) The Fundamental Representations shall be true and correct in all respects as of the date hereof and on and as of the Closing Date, as if made at and as of such date (other than the Fundamental Representations made as of a specified date, which shall be true and correct as of the date specified), (ii) the representation and warranty of Parent and Seller set forth in Section 3.14(a) shall be true and correct without regard to the term “material” and other similar qualifications, in all material respects, as of the date hereof and on and as of the Closing Date, and (iii) the other representations and warranties of Parent and Seller set forth in this Agreement shall be true and correct as of the date hereof and on and as of the Closing Date, as if made at and as of such date (other than representations and warranties made as of a specified date, which shall be true and correct as of the date specified) and without regard to the terms “material,” “materiality,” “Material Adverse Effect,” and other similar or correlative qualifications, except for breaches and inaccuracies that would not reasonably be expected to, individually or in the aggregate, have a Material Adverse Effect.

(b) *Covenants and Agreements.* Each of Parent and Seller shall have performed in all material respects its covenants, agreements and other obligations set forth in this Agreement to be performed at or prior to the Closing and complied in all material respects with all the terms, provisions and conditions of this Agreement and the other Ancillary Agreements to be complied with and performed by Parent and Seller at or before the Closing, in each case without regard to the terms “material,” “materiality,” “Material Adverse Effect,” and other similar or correlative qualifications.

(c) *No MAE.* No Material Adverse Effect shall have occurred or be occurring.

(d) *Officer’s Certificate.* Purchaser shall have received a certificate, dated as of the Closing Date and signed on behalf of Parent by an executive officer of Parent, certifying that the conditions specified in Section 8.2(a), Section 8.2(b) and Section 8.2(c) have been satisfied in all respects.

(e) *Secretary’s Certificate.* Parent shall have delivered to Purchaser a certificate of a secretary or other authorized signatory of Seller enclosing a copy of (i) Parent’s and Seller’s certificate of incorporation and certificates of incorporation, certificates of formation or other similar constitutional documents of the Transferred Entities, (ii) Parent’s and Seller’s by-laws and similar governing documents of the Transferred Entities, (iii) resolutions of the board of directors (or similar governing body) of each of Parent and Seller authorizing the execution, delivery and performance of this Agreement and the other Ancillary Agreements to which any of Parent, Seller or the Transferred Entities is or will be a party and (iv) true and correct copies of all documents, filings and agreements giving effect to the Reorganization.

(f) *Closing Deliveries.* Parent and Seller shall have made each of the deliveries contemplated by Section 2.4(b)(i).

(g) *Reorganization.* The Reorganization shall have been consummated.

Section 8.3 Conditions to Seller’s Obligation to Close. The obligations of Parent and Seller to consummate the Transactions shall be subject to the satisfaction or written waiver of Parent, in its sole discretion, on or prior to the Closing Date of all of the following conditions:

(a) *Representations and Warranties.* The representations and warranties of Purchaser set forth in this Agreement shall be true and correct as of the Closing Date (other than representations and warranties made as of a specified date, which shall be true and correct as of the date specified), except for breaches and inaccuracies that would not reasonably be expected to, individually or in the aggregate, have a material adverse effect on Purchaser's ability to timely execute, deliver or perform this agreement or any Ancillary Agreement, or to consummate the transactions contemplated hereby or thereby.

(b) *Covenants and Agreements.* Purchaser shall have performed in all material respects its covenants, agreements and other obligations set forth in this Agreement or in any other Ancillary Agreements to be performed at or prior to the Closing and complied in all material respects with all the terms, provisions and conditions of this Agreement and the other Ancillary Agreements to be complied with and performed by Purchaser at or before the Closing, in each case without regard to the terms "material," "materiality," "Material Adverse Effect," and other similar or correlative qualifications.

(c) *Officer's Certificate.* Parent shall have received a certificate, dated as of the Closing Date and signed on behalf of Purchaser by an executive officer of Purchaser, certifying that the conditions specified in Section 8.3(a) and Section 8.3(b) have been satisfied.

(d) *Secretary's Certificate.* Purchaser shall have delivered to Parent a certificate of a secretary or other authorized signatory of Purchaser enclosing a copy of (i) its certificate of incorporation, (ii) its by-laws and (iii) resolutions of Purchaser's board of directors authorizing Purchaser to enter into this Agreement and the other Ancillary Agreements to which Purchaser is or will be a party and to consummate the Transactions.

(e) *Closing Deliveries.* Purchaser shall have made each of the deliveries contemplated by Section 2.4(b)(ii).

Section 8.4 Frustration of Closing Conditions. Neither Purchaser nor Seller may rely, either as a basis for not consummating the Transactions (to the extent applicable) or terminating this Agreement and abandoning the Transactions (to the extent applicable), on the failure of any condition set forth in this Article VIII, as the case may be, to be satisfied to excuse it from its obligation to effect the Transactions (to the extent applicable) if such failure was caused by such Party's (which, in the case of Parent, shall include Seller) material breach of this Agreement.

Section 8.5 No Financing Condition. Purchaser acknowledges and agrees that obtaining financing (debt, equity or otherwise, from any Person, including the Financing) is not a condition to its obligations to consummate the transactions contemplated hereby at the Closing; provided, however, that the Parties further acknowledge and agree that Parent's or Seller's, as the case may be, ability to compel specific performance shall be subject to the limitations set forth in Section 11.7.

ARTICLE IX
TERMINATION

Section 9.1 Termination. This Agreement may be terminated at any time prior to the Closing (notwithstanding the Parent Stockholder Approval having been obtained):

(a) by mutual written agreement of Purchaser and Parent;

(b) by either Purchaser or Parent if Closing has not occurred before 5:00 p.m. New York City Time on October 31, 2018 (the "End Date"); provided that, the right to terminate this Agreement pursuant to this Section 9.1(b) shall not be available to Purchaser or Parent, as the case may be, if such Party is in material breach of its obligations under this Agreement;

(c) by either Purchaser or Parent if (i) consummation of the transactions contemplated hereby would violate, or otherwise be illegal under, any non-appealable final Order of any Governmental Entity; provided, however, that the Party seeking to terminate this Agreement pursuant to this Section 9.1(c)(i) shall have taken all action to prevent the entry of such Order to the extent required by and subject to Section 5.3 or (ii) any applicable Law permanently restrains, enjoins or prohibits or otherwise makes illegal the consummation of the Transactions, and such Law becomes effective (and final and non-appealable);

(d) by Purchaser if any representation or warranty of Parent or Seller set forth in this Agreement shall have become untrue in any material respect or if there is any material breach of any covenant or agreement on the part of Parent or Seller set forth in this Agreement, such that, if occurring on the Closing Date, the conditions specified in Section 8.2(a) or Section 8.2(b) would not be satisfied at the Closing (a "Terminating Seller Breach"), except that, if such Terminating Seller Breach is curable by Parent or Seller, as applicable, then, for a period of up to: (i) one (1) Business Day after receipt by Parent of written notice from Purchaser of such breach, in the case of such breach being Parent and/or Seller's failure to consummate the Closing when required to do so pursuant to Section 2.4; or (ii) thirty (30) days after receipt by Parent of written notice from Purchaser of such breach, in the case of any other breach by Parent or Seller (the "Seller Cure Period"), such termination shall not be effective, it being agreed and understood that such termination shall become effective without the need for any further action by any Person, only if the Terminating Seller Breach is not then cured, on the date that is the earlier of (x) the End Date and (y) the end of the Seller Cure Period; provided that the right to terminate the Agreement under this Section 9.1(d) shall not be available to Purchaser if Purchaser is then in material breach of this Agreement such that the condition specified in Section 8.3(a) or Section 8.3(b) is unable to be satisfied;

(e) by either Purchaser or Parent if the Stockholder Meeting (including any adjournments and postponements thereof) shall have concluded without the Parent Stockholder Approval having been obtained;

(f) by Parent if any representation or warranty of Purchaser set forth in this Agreement shall have become untrue in any material respect or if there is any material breach of any covenant or agreement on the part of Purchaser set forth in this Agreement, such that, if occurring on the Closing Date, the conditions specified in Section 8.3(a) or Section 8.3(b) would not be satisfied at the Closing (a “Terminating Purchaser Breach”), except that, if any such Terminating Purchaser Breach is curable by Purchaser, then, for a period of up to: (i) one (1) Business Day after receipt by Purchaser of written notice from Parent of such breach, in the case of such breach being Purchaser’s failure to consummate the Closing when required to do so pursuant to Section 2.4; or (ii) thirty (30) days after receipt by Purchaser of written notice from Parent of such breach, in the case of any other breach by Purchaser (the “Purchaser Cure Period”), such termination shall not be effective, it being agreed and understood that such termination shall become effective without the need for any further action by any Person, only if the Terminating Purchaser Breach is not then cured, on the date that is the earlier of (x) the End Date and (y) the end of the Purchaser Cure Period; provided that the right to terminate the Agreement under this Section 9.1(f) shall not be available to Parent if Parent or Seller is then in material breach of this Agreement such that the condition specified in Section 8.2(a) or Section 8.2(b) is unable to be satisfied;

(g) by Parent if (i) all of the conditions set forth in Section 8.1 and Section 8.2 have been satisfied or waived in writing by Purchaser (other than those conditions which by their terms or nature are to be satisfied at the Closing and each of which would be satisfied at the Closing if there was a Closing), (ii) Parent has given written notice to Purchaser no earlier than the date on which the Closing should have occurred pursuant to Section 2.4 that it is ready, willing and able to consummate the Closing, and (iii) Purchaser has failed to consummate the Closing within one (1) Business Day of receipt of such notice; or

(h) by Purchaser, during the period from and after such date that all of the conditions set forth in Article VIII have been satisfied or waived in writing (other than those conditions which by their terms or nature are to be satisfied at the Closing and each of which would be satisfied at the Closing if there were a Closing), through and including the Business Day that is five (5) Business Days prior to the End Date, if the aggregate amount of Consent Fees to be paid by Purchaser shall exceed the amount set forth on Section 9.1(h) of the Seller Disclosure Schedule; provided that the right to terminate the Agreement under this Section 9.1(h) shall not be available to Purchaser if Purchaser is then in material breach of this Agreement such that the condition specified in Section 8.3(a) or Section 8.3(b) is unable to be satisfied.

(i) In the event of termination of this Agreement by either or both of Parent and Purchaser pursuant to this Section 9.1, written notice of such termination shall be given by the terminating Party to the other Party to this Agreement.

Section 9.2 Effect of Termination. Notwithstanding anything to the contrary herein, if this Agreement is validly terminated pursuant to Section 9.1, it will become null and void and of no further force and effect, with no Liability or obligation on the part of any Party (or any of their respective direct or indirect, former, current or future general or limited partners, equity holders, managers, members, directors, officers, employees, Affiliates, representatives or agents or any of the successors or assigns of the foregoing), except that, the provisions of Section 5.2, Article I, this Section 9.2, Section 9.3, Section 9.4, Section 9.5 and Article XI will survive any valid termination of this Agreement; provided, however, that, subject to the foregoing provisions, nothing herein shall relieve any Party from Liability from damages of any kind incurred or suffered by any other Party to this Agreement as a result of any Willful Breach by such Party prior to such valid termination of this Agreement or such Party’s fraud prior to such valid termination of this Agreement.

Section 9.3 Parent Termination Fee. If this Agreement is validly terminated by Purchaser pursuant to Section 9.1(d) as a result of a breach by Parent, Seller (or any of their respective Affiliates) that constitutes a Willful Breach of this Agreement prior to such valid termination, Parent shall cause to be paid to Purchaser (or one or more of its designees) an amount in cash equal to \$5,000,000 in immediately available funds (the "Parent Termination Fee") within two (2) Business Days of such valid termination. Notwithstanding anything to the contrary herein, under no circumstances shall (A) (i) Parent, Seller or any other Person pay the Parent Termination Fee, if, as and when due under this Section 9.3, more than once (in the aggregate) or (ii) Purchaser or its Affiliates be entitled to seek monetary damages in an amount that exceeds the amount of the Parent Termination Fee and (B) Purchaser and its Affiliates be entitled to both the Termination Fee, if, as and when due under this Section 9.3, on the one hand, and any monetary damages, on the other hand.

Section 9.4 Reverse Termination Fee; Purchaser Termination Fee.

(a) If this Agreement is (i) validly terminated by Parent pursuant to Section 9.1(g) and (ii) Purchaser's failure to consummate the Transactions is solely as a result of Purchaser's failure to receive the full proceeds of the Debt Financing on the terms and conditions set forth in the Debt Commitment Letters, without giving effect to any amendment or waiver thereof, on the date that the Closing should have occurred pursuant to Section 2.4, then Purchaser shall cause to be paid to Parent (or one or more of its designees) an amount in cash equal to \$2,500,000 in immediately available funds (the "Reverse Termination Fee") within two (2) Business Days of such valid termination. Notwithstanding anything to the contrary herein, under no circumstances shall (A) the Purchaser, its Affiliates or any other Person pay the Reverse Termination Fee more than once (in the aggregate) and (B) Parent, Seller and their respective Affiliates be entitled to both the Reverse Termination Fee, if, as and when due under this Section 9.4(a) on the one hand, and monetary damages, on the other hand.

(b) If this Agreement is validly terminated by Parent pursuant to Section 9.1(f) as a result of a breach by Purchaser (or any of its Affiliates) that constitutes a Willful Breach of this Agreement prior to such valid termination of this Agreement, Purchaser shall cause to be paid to Parent (or one or more of its designees) an amount in cash equal to \$5,000,000 in immediately available funds (the "Purchaser Termination Fee") within two (2) Business Days of such valid termination. Notwithstanding anything to the contrary herein, under no circumstances shall (A) (i) Purchaser, its Affiliates or any other Person pay the Purchaser Termination Fee, if, as and when due under this Section 9.4(b), more than once (in the aggregate) or (ii) Parent, Seller or any of their Affiliates be entitled to seek monetary damages that exceed the amount of the Purchaser Termination Fee, in the event of a valid termination of this Agreement by Parent pursuant to Section 9.1(f) and (B) Parent, Seller and their respective Affiliates be entitled to (x) both the Purchaser Termination Fee, if as and when due under this Section 9.4(b), on the one hand, and any monetary damages whatsoever, on the other hand and (y) both the Reverse Termination Fee, if, as and when due under this Section 9.4(b), on the one hand and the Purchaser Termination Fee, if as and when due under this Section 9.4(b), on the other hand.

Section 9.5 Liquidated Damages

(a) The Parties acknowledge that each of the Reverse Termination Fee, the Parent Termination Fee and the Purchaser Termination Fee, as applicable, if, as and when required pursuant to Section 9.3 or Section 9.4, as the case may be, shall not constitute a penalty but will be liquidated damages, in a reasonable amount that will compensate the party receiving such amount in the circumstances in which it is payable for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transactions, which amount would otherwise be impossible to calculate with precision.

(b) Notwithstanding anything to the contrary in this Agreement or any other Ancillary Agreement, but subject in all respects to Section 9.2, Section 9.3, Section 9.4, this Section 9.5, Section 11.7 and Section 11.9 (including, in each case, the limitations set forth therein), (A) if Purchaser fails to effect the Closing when required pursuant to Section 2.4 for any reason or no reason or otherwise breaches this Agreement or any other Ancillary Agreement (whether such breach is willful, intentional, unintentional or otherwise) or fails to perform hereunder or thereunder or fails to perform any obligation under applicable Law (in each case, whether such failure is willful, intentional, unintentional or otherwise), then subject in all respects to Section 9.2, Section 9.3, Section 9.4, this Section 9.5, Section 11.7 and Section 11.9 (including in each case, the limitations set forth therein) (1) Parent's right to (i) validly terminate this Agreement pursuant to Section 9.1(g) and thereafter receive the Purchaser Termination Fee, if, as and when due under Section 9.4(b), (ii) validly terminate this Agreement pursuant to Section 9.1(f) and thereafter receive the Reverse Termination Fee, if, as and when due under Section 9.4(a), (iii) validly terminate this Agreement pursuant to Section 9.1 and thereafter seek monetary damages in accordance with this Article IX and (iv) seek a decree or order of specific performance or other equitable relief, if and to the extent permitted pursuant to Section 11.7, shall be the sole and exclusive remedy of Parent, Seller their respective Affiliates and any of their respective former, current and future, direct or indirect stockholders, equity holders, members, managers, partners, beneficiaries, directors, officers, employees, agents and other representatives (collectively, the "Seller Related Parties") against Purchaser, its Affiliates and the Debt Financing Sources, and all of the foregoing's respective former, current and future, direct and indirect, equity holders, controlling persons, financial sponsors, members, directors, managers, officers, employees, counsel, financial advisors, auditors, agents, other representatives, stockholders, Affiliates and assignees, and all of the foregoing's successors and assigns (collectively, the "Purchaser Related Parties") and (B) if Parent or Seller fail to effect the Closing when required pursuant to Section 2.4 for any reason or no reason or otherwise breach this Agreement or any other Ancillary Agreement (whether such breach is willful, intentional, unintentional or otherwise) or fail to perform hereunder or thereunder or fails to perform any obligation under applicable Law (in each case, whether such failure is willful, intentional, unintentional or otherwise), then subject in all respects to Section 9.2, Section 9.3, Section 9.4, this Section 9.5, Section 11.7 and Section 11.9 (including in each case, the limitations set forth therein) (1) Purchaser's right to (i) validly terminate this Agreement pursuant to Section 9.1(d) and thereafter receive the Parent Termination Fee, if, as and when due under Section 9.3, (ii) validly terminate this Agreement pursuant to Section 9.1 and thereafter seek monetary damages in accordance with this Article IX and (iii) seek a decree or order of specific performance or other equitable relief, if and to the extent permitted pursuant to Section 11.7, shall be the sole and exclusive remedy of the Purchaser Related Parties against the Seller Related Parties and their respective successors and assigns, as applicable. Notwithstanding anything to the contrary herein or otherwise, while Parent and Purchaser may seek all of their respective remedies that are available to them as set forth in the foregoing clauses (A) and (B), as the case may be, under no circumstances may Parent (or any other Seller Related Party) or Purchaser (or any other Purchaser Related Party), as the case may be, receive or otherwise be awarded more than one such remedy. Except as expressly provided in the previous sentence, no Purchaser Related Party or Seller Related Party, as the case may be, shall have any liability or obligation to any Seller Related Party or Purchaser Related Party, as the case may be, including consequential, indirect or punitive damages, or damages in lieu of specific performance, relating to, arising out of or in connection with this Agreement or the other Ancillary Agreements or the Transactions or the failure of any such Transactions to be consummated, or in respect of any other contract, agreement, document or theory of law or equity or in respect of any representation made or alleged to be made in connection herewith or therewith, whether in equity or at law, in contract, in tort or otherwise. Without limiting the foregoing, upon payment of the Reverse Termination Fee, the Purchaser Termination Fee or the Parent Termination Fee (as applicable), if, as and when required pursuant to Section 9.3 or Section 9.4 (as applicable), no Person shall have any further liability or obligation to any other Person, including consequential, indirect or punitive damages, or damages in lieu of specific performance, relating to, arising out of or in connection with this Agreement or any Ancillary Agreements or the transactions contemplated hereby or thereby or the failure of such transaction to be consummated, or in respect of any other contract, agreement, document or theory of law or equity or in respect of any representation made or alleged to be made in connection herewith or therewith, whether in equity or at law, in contract, in tort or otherwise.

(c) Each Party acknowledges that the agreements contained in this Article IX are an integral part of the transactions contemplated by this Agreement and that, without these agreements, the other party would not enter into this Agreement. If Parent fails to pay the Parent Termination Fee, if, as and when due pursuant to Section 9.3, or Purchaser fails to pay the Reverse Termination Fee or the Purchaser Termination Fee, if, as and when due pursuant to Section 9.4, in each case, as determined pursuant to a final and non-appealable order by a court of competent jurisdiction, the unpaid portion of the applicable fee shall accrue interest at a rate per annum equal to the prime rate as published in the Wall Street Journal, Eastern Edition, in effect on the date of the valid termination of this Agreement, from and including the date the applicable portion of such fee was required to be paid until but excluding the date of payment, and such accrued and unpaid interest shall be deemed part of such fee. In the event any proceeding is commenced for payment of the fee, and a final and non-appealable court order is given in connection therewith, all reasonable and documented out of pocket costs and expenses incurred by the prevailing party in such proceeding shall be reimbursed by the non-prevailing party up to a maximum amount of \$2,000,000.

(d) Notwithstanding any provision in this Agreement or any Ancillary Agreement to the contrary, the maximum aggregate liability of the Purchaser Related Parties, on the one hand, and the Seller Related Parties, on the other hand, under this Agreement and the Ancillary Agreements, collectively (including, for the avoidance of doubt, monetary damages for fraud or breach, whether willful, intentional, unintentional or otherwise, or monetary damages in lieu of specific performance), or in connection with the Transactions, or in connection with the failure of such Transactions to be consummated, or in respect of any representation made or alleged to be made in connection herewith or therewith, whether in equity or at law, in contract, in tort or otherwise, together with the payment of the Parent Termination Fee, the Purchaser Termination Fee or the Reverse Termination Fee, as the case may be, shall not exceed under any circumstances \$5,000,000, together with any amounts solely to the extent due by such Party pursuant to Section 9.5(c) (subject to the limitations set forth therein)) (the "Maximum Liability Amount"), and in no event shall the Seller Related Parties or the Purchaser Related Parties, as the case may be, seek, directly or indirectly, to recover any damages whatsoever (including consequential, indirect or punitive damages) in excess of the Maximum Liability Amount.

(e) Notwithstanding anything to the contrary contained herein, each of Parent and Seller (on behalf of itself, its Affiliates and the other Seller Related Parties) hereby waives any rights or claims against any Debt Financing Source in connection with this Agreement, the Debt Financing, the Debt Commitment Letters, the definitive financing documentation, any other document related thereto, any of the transactions contemplated hereby or thereby or in respect of any oral or written representations made or alleged to be made in connection herewith or therewith (whether in contract or in tort, in law or in equity or otherwise), and each of Parent and Seller (on behalf of itself and its Affiliates, directors, officers, employees, agents and representatives), agrees not to commence any action or proceeding against any Debt Financing Source in connection with this Agreement, the Debt Financing, the Debt Commitment Letters, the definitive financing documentation, any other document related thereto, any of the transactions contemplated hereby or thereby or in respect of any oral or written representations made or alleged to be made in connection herewith or therewith (whether in contract or in tort, in law or in equity or otherwise) and to cause any such action or proceeding asserted by Parent, Seller or their respective Affiliates, directors, officers, employees, agents and representatives to be dismissed or otherwise terminated. In furtherance and not in limitation of the foregoing waiver, it is acknowledged and agreed that no Debt Financing Source shall have any liability for any claims or damages to Parent and Seller in connection with this Agreement, the Debt Financing, the Debt Commitment Letters, the definitive financing documentation, any other document related thereto or any of the transactions contemplated hereby or thereby. The provisions of this Section 9.5(e) shall inure to the benefit of, and be enforceable by, each Debt Financing Source, its Affiliates and their respective successors and permitted assigns, each of which is hereby intended to be an express third party beneficiary of this Section 9.5(e).

ARTICLE X

SURVIVAL AND INDEMNIFICATION

Section 10.1 Survival of Representations and Warranties. Subject to Section 10.8: (a) the representations and warranties in this Agreement shall survive the Closing until the close of business on the date that is twelve (12) months after the Closing Date (the “General Survival Date”), except for (x) the Fundamental Representations, which shall survive the Closing until the close of business on the date that is six (6) years after the Closing Date, (y) the representations set forth in Section 3.12 (Taxes) and the representations set forth in Section 3.10 (Employee Benefit and Labor Matters), in each case, to the extent they relate to Taxes (the “Tax Representations”), which shall survive the Closing until the close of business on the date that is sixty (60) days following the expiration of the relevant statute of limitations related to the payment of any such Tax, and (z) the representation and warranty set forth in Section 3.14(a) which shall survive the Closing Date until the close of business on the date that is eighteen (18) months after the Closing Date, (b) the covenants or other agreements contained in this Agreement that are to be performed prior to the Closing shall survive the Closing until the close of business on the General Survival Date and (c) each other covenant and agreement contained in this Agreement that is to be performed at or after the Closing shall survive the Closing for the period contemplated by its terms. Notwithstanding anything to the contrary contained herein, claims based upon, attributable to, or resulting from fraud are not subject to the survival limitations contained in this Section 10.1.

Section 10.2 Indemnification of Purchaser Indemnified Parties. From and after the Closing, Parent and each other member of the Seller Group shall, jointly and severally, indemnify and hold harmless Purchaser and its Affiliates (including the Transferred Entities), and their respective Affiliates, stockholders, members, managers, directors, officers, employees, partners, successors and assigns of each of the foregoing (collectively, the “Purchaser Indemnified Parties”) from and against, and pay as incurred on behalf of (or reimburse), any and all Losses directly or indirectly arising out of, in connection with or related to:

- (a) the breach of any representation or warranty of Parent or Seller contained in Article III of this Agreement or the certificate delivered pursuant to Section 8.2(d) (for the period such representation or warranty survives).
- (b) any breach of, or failure to perform, any covenant or obligation of Parent or Seller contained in this Agreement;
- (c) any Earn-out Obligations;
- (d) any Excluded Liabilities; or
- (e) the enforcement of the Purchaser Indemnified Parties’ rights under this Section 10.2.

Section 10.3 Limitations on Indemnification of Purchaser Indemnified Parties and Seller Indemnified Parties. Notwithstanding any provision of this Agreement to the contrary, any claims of a Purchaser Indemnified Party or Seller Indemnified Party, as applicable, under this Article X will be limited as follows:

- (a) Parent and the Seller Group shall have no Liability for Losses under Section 10.2(a) unless and until such Losses in the aggregate are in excess of \$13,800,000 (the “Deductible”), and then indemnification shall be available from dollar-one for the full amount of Losses due to the Purchaser Indemnified Parties; provided that, notwithstanding the foregoing, the Deductible shall not apply to any Losses arising out of, in connection with or related to (i) any breach of any Fundamental Representation or Tax Representation or (ii) fraud.

(b) The maximum aggregate Liability of Parent and the other members of the Seller Group (i) in satisfaction of claims for indemnification under Section 10.2(a) shall not, in the aggregate on a cumulative basis, exceed an amount equal to \$138,000,000 (the “Cap”) and (ii) in satisfaction of claims for indemnification under Section 10.2 shall not, in the aggregate on a cumulative basis, exceed the Base Purchase Price; provided that the Cap shall not apply to Losses arising out of, in connection with or related to any breach of any Fundamental Representation or Tax Representation; provided, further, that the limitations set forth in this Section 10.3(b) shall not apply to Losses arising out of, in connection with or related to fraud.

(c) Purchaser shall have no Liability for Losses under Section 10.4(a) unless and until such Losses in the aggregate are in excess of the Deductible, and then indemnification shall be available from dollar-one for the full amount of Losses due to the Seller Indemnified Parties; provided that, notwithstanding the foregoing, the Seller Deductible shall not apply to any Losses arising out of, in connection with or related to (i) any breach of any Purchaser Fundamental Representation or (ii) fraud.

(d) The maximum aggregate Liability of Purchaser (i) in satisfaction of claims for indemnification under Section 10.4(a) shall not, in the aggregate on a cumulative basis, exceed an amount equal to the Cap and (ii) in satisfaction of claims for indemnification under Section 10.4 shall not, in the aggregate on a cumulative basis, exceed the Base Purchase Price; provided that the Cap shall not apply to Losses arising out of, in connection with or related to any breach of any Fundamental Representation or Tax Representation; provided, further, that the limitations set forth in this Section 10.3(d) shall not apply to Losses arising out of, in connection with or related to fraud.

Section 10.4 Indemnification of Parent and the Seller Group. From and after the Closing, Purchaser and the Transferred Entities shall jointly and severally indemnify and hold harmless Parent and each member of the Seller Group, and their respective Affiliates, and the stockholders, members, managers, directors, officers, employees, partners, successors and assigns of each of the foregoing (collectively, the “Seller Indemnified Parties”) from and against, and pay as incurred on behalf of (or reimburse) any and all Losses directly or indirectly arising out of or in connection with:

- (a) the breach of any representation or warranty of Purchaser contained in Article IV of this Agreement or the certificate delivered pursuant to Section 8.3(c) (for the period such representation or warranty survives);
- (b) any breach of, or failure to perform, any covenant or obligation of Purchaser contained in this Agreement;
- (c) any Earn-up Obligations;
- (d) any Assumed Liabilities; or
- (e) the enforcement of the Seller Indemnified Parties’ rights under this Section 10.4.

Section 10.5 Claims; Procedures for Claims.

(a) Any Purchaser Indemnified Party or Seller Indemnified Party claiming it may be entitled to indemnification under Section 10.2 or Section 10.4, as the case may be (the "Indemnified Party"), shall give prompt written notice to Parent (in the case of a Purchaser Indemnified Party) or Purchaser (in the case of a Seller Indemnified Party) (the "Indemnifying Party") of each matter, action, cause of action, claim, demand, fact or other circumstances upon which a claim for indemnification (a "Claim") hereunder may be based. Such notice shall contain, with respect to each Claim, such material facts and information as are then reasonably available and that such Indemnified Party is permitted to disclose under applicable Law, including the estimated amount of Losses (to the extent known) and the basis for indemnification hereunder, to the extent known. Failure to give prompt notice of a Claim hereunder shall not affect the Indemnifying Party's obligations hereunder, except to the extent the Indemnifying Party is actually and materially prejudiced by such failure.

(b) Following delivery by an Indemnified Party of notice of any Claim (A "Claim Notice") arising out of any third-party action, suit, proceeding, claim, demand or assessment (a "Third Party Claim"), the Indemnifying Party shall be entitled to participate in the defense thereof and, if it so chooses, to assume the defense thereof at its expense with counsel selected by the Indemnifying Party and reasonably satisfactory to the Indemnified Party if it gives notice to the Indemnified Party within twenty (20) Business Days after receipt of notice of such Third Party Claim from the Indemnified Party of its intention to do so; provided that the Indemnifying Party shall not be entitled to assume or maintain control of the defense of any Third Party Claim unless (i) the Third Party Claim does not relate to Taxes, is not brought by a Governmental Entity, does not relate to criminal charges, and is for monetary damages only and (ii) the Indemnifying Party conducts the defense of the Third Party Claim in a commercially reasonable and diligent manner, (iii) the Third Party Claim could not reasonably be expected to adversely affect the Indemnified Party or its Affiliates, other than as a result of monetary damages for which it would be entitled to relief under this Agreement. If the Indemnifying Party does not assume such defense, the Indemnifying Party shall continue to have the right to participate in the defense thereof and to employ counsel, at its own expense, separate from any counsel employed by the Indemnified Party, it being understood that the Indemnified Party shall control such defense. If the Indemnifying Party assumes such defense, the Indemnified Party shall have the right to participate in the defense thereof and to employ counsel, at its own expense, separate from the counsel employed by the Indemnifying Party, it being understood, however, that the Indemnifying Party shall control such defense, and the Indemnified Party shall not be entitled to indemnification for legal expenses subsequently incurred by the Indemnified Party in connection with the defense thereof; provided that, subject to the limitations in this Article X, the Indemnified Party shall be entitled to indemnification for the fees and expenses of counsel employed by the Indemnified Party (i) for any period during which the Indemnifying Party has not assumed the defense thereof (or otherwise conducted such defense actively and diligently), (ii) if the Indemnified Party has been advised by its outside counsel that there may exist a conflict of interest that would make it inappropriate for the same counsel to represent both the Indemnified Party and the Indemnifying Party or (iii) if there are legal defenses available to an Indemnified Party that are different from or additional to those available to the Indemnifying Party. All the Parties that are party to, or an Indemnifying Party with respect to, any Third Party Claim shall cooperate in the defense of such Third Party Claim, at the Indemnifying Party's expense. Such cooperation shall include: (x) retaining and providing to the Indemnifying Party reasonable access to records and information which are reasonably relevant to the defense of such Third Party Claim, (y) assisting with the collection and preparation of discovery materials and (z) making employees and other representatives and advisors available on a mutually convenient basis to prepare for or appear as witnesses at depositions, court proceedings or trials and to provide additional information and explanation of any material provided hereunder; provided that such access shall be subject to customary confidentiality obligations, and shall be granted following prior written notice, during normal business hours, and shall be granted under conditions which shall not unreasonably interfere with the business and operations of the Indemnified Party. The Indemnifying Party shall not, without the prior written consent of the Indemnified Party (such consent not to be unreasonably withheld, delayed or conditioned), settle or compromise any Third Party Claim or permit a default or consent to entry of any judgment with respect to such Third Party Claim unless (i) all monetary Liabilities under such settlement or compromise will be paid or reimbursed by the Indemnifying Party (except to the extent within the Deductible), (ii) the terms of such settlement or compromise include an unqualified release of the Indemnified Party from all Liability in respect of such Third Party Claim, (iii) such settlement or compromise does not contain any admission of Liability of, violation of Law, or wrongdoing by the Indemnified Party, and (iv) such settlement or compromise does not impose any sanctions, restrictions, injunctions or obligations (including the payment of money damages, unless the Indemnifying Party will be solely responsible for all of such money damages) on the Indemnified Party. The Indemnified Party shall not, without the prior written consent of the Indemnifying Party (such consent not to be unreasonably withheld, delayed or conditioned), settle or compromise, or consent to the entry of any judgment of, any Third Party Claim unless the Indemnifying Party shall not be subject to any indemnification obligation with respect to such claim hereunder.

(c) Following delivery by an Indemnified Party of any Claim Notice (other than regarding a Third Party Claim, which is addressed in Section 10.5), the Indemnifying Party shall, within twenty (20) days after receipt by the Indemnifying Party of such Claim Notice, deliver to the Indemnified Party a response notice (a “Response Notice”) specifying (i) the items set forth in the Claim Notice the Indemnifying Party does not dispute (such items, the “Agreed Claim Items”) and (ii) the items set forth in the Claim Notice the Indemnifying Party disputes (such items, the “Disputed Claim Items”), specifying in reasonable detail the basis for any such disputes. In the event no Response Notice is timely delivered, the Indemnifying Party shall, within ten (10) Business Days of the date the Response Notice was otherwise due, pay to the Indemnified Party an amount equal to the amount claimed in the Claim Notice by wire transfer in immediately available funds to the bank account or accounts designated by the Indemnified Party. In the event a Response Notice is timely delivered, (x) with respect to the Agreed Claim Items, the Indemnified Party and the Indemnifying Party shall promptly prepare and sign a memorandum of agreement setting forth such agreement, and the Indemnifying Party shall promptly (and in any event within ten (10) Business Days of signing such memorandum) by wire transfer in immediately available funds to the bank account or accounts designated by the Indemnified Party pay any and all amounts due in connection therewith and (y) with respect to the Disputed Claim Items, the Indemnifying Party and the Indemnified Party shall, during the twenty (20) day period beginning on the date of receipt by the Indemnified Party of such Response Notice, attempt in good faith to agree upon the rights of the respective parties with respect to each of such Disputed Claim Item. If the Indemnified Party and the Indemnifying Party shall succeed in reaching agreement on their respective rights with respect to all or any portion of such Disputed Claim Items, the Indemnified Party and the Indemnifying Party shall promptly prepare and sign a memorandum of agreement setting forth such agreement, and the Indemnifying Party shall promptly (and in any event within ten (10) Business Days of signing such memorandum) by wire transfer in immediately available funds to the bank account or accounts designated by the Indemnified Party pay any and all amounts due in connection therewith. Should the Indemnified Party and the Indemnifying Party be unable to agree as to any particular Disputed Claim Item within such time period, then the Indemnified Party shall be permitted to submit such dispute in accordance with Section 11.2. Within 10 Business Days of the final determination of such dispute, the Indemnifying Party shall pay, if applicable, to the Indemnified Party all amounts due as determined in accordance with Section 11.2 by wire transfer in immediately available funds to the bank account or accounts designated by the Indemnified Party.

(d) Parent shall act on behalf of Seller and the Seller Group in the case of all claims (including Third Party Claims) with respect to which a Purchaser Indemnified Party is seeking indemnification pursuant to Section 10.2.

(e) The parties agree to treat any indemnity payment made pursuant to this Article X as an adjustment to the Purchase Price to the extent permitted by Law.

Section 10.6 Losses Net of Tax Benefits and Insurance. The amount of any and all indemnification payments in respect of Losses under Section 7.1, Section 10.2 and Section 10.4 shall be determined net of (i) any Tax benefit actually realized by an indemnified party by reason of such Losses, determined on a “with” and “without” basis (and net of any Tax cost or reduction in Tax benefits by reason of receipt of the indemnification payment), and (ii) any amounts actually recovered by the Indemnified Party under insurance policies, indemnities or other reimbursement arrangements (other than in connection with any policy or Contract between or among Indemnified Parties) (collectively, “Alternative Arrangements”) with respect to such Losses (net of any deductible or co-pay amounts and any other costs or expenses reasonably incurred in connection therewith, including all premiums and other costs of such insurance policies, or any increase in premium payable by such Indemnified Party, or any retroactive adjustment under any such policy, or costs or expenses incurred in connection with pursuing a claim thereunder (“Recovery Costs”)); provided that no Indemnified Party shall be subject to any obligation to pursue recovery in respect of any indemnifiable Losses under any such Alternative Arrangement. If an indemnification payment is received by an Indemnified Party, and such Indemnified Party later (but within twelve (12) months of receipt of payment from the Indemnifying Party) receives proceeds or recoveries from any Alternative Arrangement in respect of the related Losses, the Indemnified Party shall promptly pay to the Indemnifying Party a sum equal to the lesser of (x) the actual amount of such proceeds or recoveries (net of Recovery Costs) or (y) the actual amount of the indemnification payment previously paid by the Indemnifying Party with respect to such Losses; provided that no payments under any Alternative Arrangement between or among Indemnified Parties shall be considered proceeds or recoveries for purposes of this sentence. For the avoidance of doubt, and notwithstanding anything to the contrary herein, no indemnification payment payable hereunder shall be conditioned, withheld or delayed as a result of any Indemnified Party not having sought, realized or received any insurance proceeds.

Section 10.7 Other Limitations.

(a) No Purchaser Indemnified Party shall have the right to recover under Section 7.1(a), Section 7.1(b) or Section 10.2 with respect to any Loss or alleged Loss to the extent the matter forming the basis for such Loss or alleged Loss shall have been taken into account in the determination of Closing Working Capital, Closing Indebtedness, Closing Date Cash or Closing Date Transaction Expenses.

(b) No Indemnified Party shall have the right to recover under Section 7.1(a), Section 7.1(b) or Section 10.2 any indirect, consequential, special, exemplary, incidental or punitive damages, lost profits lost income, lost revenues, loss of use, diminution in value, multiples of earnings, damage to goodwill or loss of business unless (i) such Losses were reasonably foreseeable or (ii) such Losses are in connection with any Third Party Claim.

(c) For purposes of calculating the amount of any indemnifiable Losses arising from such breach, the representations, warranties, covenants and obligations set forth in this Agreement and any certificate delivered hereunder shall be read without regard to the terms “material,” “materiality,” “Material Adverse Effect,” and other similar or correlative qualifications that may be contained therein as if such qualification were deleted from such representation or warranty.

(d) Each Indemnified Party shall use commercially reasonable efforts to mitigate any Loss to the extent required by Law upon becoming aware of any event or circumstance that would be reasonably expected to, or does, give rise thereto, including incurring any commercially reasonable costs in respect of such indemnifiable Loss.

Section 10.8 Termination of Indemnification. The rights of the Indemnified Parties under this Article X or Section 7.1 in respect of a breach of representation or warranty or covenant shall terminate when the applicable representation or warranty or covenant terminates pursuant to Section 10.1; provided, however, that such rights to recover shall not terminate, and shall continue until any claim in respect of such breach is fully and finally determined, with respect to any item as to which such Indemnified Party shall have, prior to the expiration of the applicable period, previously made a claim by properly delivering a written notice to the Indemnifying Party in accordance with this Article IX; provided, further, that, if such written notice is given, any proceeding brought with respect thereto shall be initiated no later than six months following the termination of the relevant survival period, after which time period the right to bring or maintain such claim shall terminate.

Section 10.9 Exclusive Remedy.

(a) Each of the Parties acknowledges and agrees that from and after the Closing, its sole and exclusive monetary remedy with respect to any and all claims relating, directly or indirectly, to the subject matter of this Agreement or the transactions contemplated hereby, regardless of the legal theory under which such Liability or obligation may be imposed, whether sounding in contract or tort, or whether at law or in equity, or otherwise, shall be the provisions set forth in this Article X (subject to any claims related to the matters described in Section 2.5, which shall be resolved as expressly provided therein) or Section 7.1.

(b) The Parties agree that the provisions in this Agreement relating to indemnification, and the limits imposed on remedies with respect to this Agreement and the transactions contemplated hereby constitute an integral part of the consideration given to the parties, were specifically bargained for between sophisticated parties and were specifically taken into account in the determination of the amounts to be paid to the Seller Group hereunder.

(c) Notwithstanding the foregoing, this Section 10.9 is not intended, and shall not be construed to limit in any fashion any Party's rights (i) under Section 11.7 or (ii) to assert and pursue any claims based on fraud.

ARTICLE XI

Section 11.6 Amendments and Waivers. This Agreement may not be amended, supplemented or otherwise modified except by an instrument or instruments in writing signed by each Party. The other Parties to this Agreement may, only by an instrument in writing, waive compliance by a Party to this Agreement with any term or provision of this Agreement on the part of such Party to this Agreement to be performed or complied with. The waiver by any Party of a breach of any term or provision of this Agreement shall not be construed as a waiver of any subsequent breach.

Section 11.7 Specific Performance.

(a) The Parties agree that irreparable damage would occur, and that the Parties would not have any adequate remedy at law, in the event that any of the provisions of this Agreement were not performed in accordance with its specific terms or were otherwise breached. It is accordingly agreed that, subject in all respects to Section 11.7(b), the parties shall be entitled to an injunction or injunctions to prevent any breaches of this Agreement and to specifically enforce the terms and provisions of this Agreement, without proof of actual damages or otherwise, in addition to any other remedy to which any Party is entitled at law or in equity. Each Party agrees to waive any requirement for the securing or posting of any bond in connection with such remedy. The Parties further agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to law or inequitable for any reason (other than such remedy is sought in violation of the terms hereof, including Section 11.7(b)), nor to assert that a remedy of monetary damages would provide an adequate remedy.

(b) Notwithstanding anything in Section 11.7(a) or otherwise in this Agreement or any Ancillary Agreement to the contrary, it is acknowledged and agreed that in no event shall Parent, Seller, their respective Affiliates or any of their respective equity holders, partners, directors, officers, employees or Representatives be entitled to specific performance or any other equitable remedy to enforce or seek to enforce Purchaser's obligation to cause Purchaser to take any action to effect the Closing in accordance with Section 2.4 or consummate the Debt Financings or any other transaction contemplated under any document or agreement contemplated hereby or otherwise or pay any amounts that may become due hereunder (including the Purchase Price) unless and only if (w) all of the conditions set forth in Section 8.1 and Section 8.2 have been satisfied or waived in writing by Purchaser (other than those conditions that by their terms or nature are to be satisfied at the Closing, but subject to the satisfaction of those conditions at the Closing), (x) the Debt Financing has been received in full by Purchaser in accordance with the terms thereof or such amount will be funded to Purchaser at the Closing, (y) Seller has unconditionally confirmed in writing that all of the conditions set forth in Section 8.3 have been satisfied (other than those conditions that by their terms or nature are to be satisfied at the Closing, but subject to the satisfaction of those conditions at the Closing) or waived, and if specific performance is granted and the Debt Financing is funded, then they are each ready, willing and able to consummate the Closing simultaneously with the drawdown of the Debt Financing and (z) Purchaser fails to consummate the Closing within three Business Days after the delivery of such unconditional written confirmation (which shall not have been revoked, modified, withdrawn or conditioned during such three Business Day period), it being expressly agreed and understood, however, that in the circumstances described in this sentence, Parent and Seller shall be entitled to an injunction, specific performance or any other equitable remedy to enforce or seek to enforce Purchaser's or any of its Affiliate's obligations; provided that, notwithstanding the foregoing, in no event shall Parent, Seller, their respective Affiliates or any of their respective equity holders, partners, directors, officers, employees or Representatives be entitled to an injunction, specific performance or any other equitable remedy requiring any such Person to commence an Action to enforce or seek to enforce Purchaser's or any of its Affiliates' obligation to enforce specifically their respective rights against the Debt Financing Sources under or in connection with the Debt Commitment Letters.

(c) Purchaser acknowledges and agrees that Seller may, subject in all respects to Section 9.2, Section 9.3, Section 9.4, this Section 11.7 and Section 11.9 (including, in each case, the limitations set forth therein), pursue both a grant of specific performance in accordance with this Section 11.7 and the payment of the Reverse Termination Fee if, as and when due pursuant to Section 9.4 and the payment of the Purchaser Termination Fee if, as and when due pursuant to Section 9.4; provided that, for the avoidance of doubt and notwithstanding anything to the contrary in any document or agreement contemplated hereby or otherwise, under no circumstances shall Parent, Seller, their respective Affiliates or any other Person, directly or indirectly, be permitted or entitled to receive (i) both (x) a grant of specific performance resulting in the consummation of the transactions contemplated by this Agreement in accordance with the terms hereof or other equitable relief, on the one hand, and (y) payment of any monetary damages whatsoever or payment of the Reverse Termination Fee or the Purchaser Termination Fee, on the other hand or (ii) both payment of any monetary damages whatsoever, on the one hand, and payment of the Reverse Termination Fee or the Purchaser Termination Fee, on the other hand.

(d) Parent and Seller acknowledge and agree that Purchaser may, subject in all respects to subject in all respects to Section 9.2, Section 9.3, Section 9.4, Section 9.5, this Section 11.7 and Section 11.9 (including, in each case, the limitations set forth therein), pursue both a grant of specific performance in accordance with this Section 11.7 and the payment of the Parent Termination Fee, if, as and when due pursuant to Section 9.3; provided that, for the avoidance of doubt and notwithstanding anything to the contrary in any document or agreement contemplated hereby or otherwise, under no circumstances shall Purchaser, its Affiliates or any other Person, directly or indirectly, be permitted or entitled to receive (i) both (x) a grant of specific performance resulting in the consummation of the transactions contemplated by this Agreement in accordance with the terms hereof or other equitable relief, on the one hand and (y) payment of any monetary damages whatsoever or payment of the Parent Termination Fee, on the other hand and (ii) both payment of any monetary damages whatsoever, on the one hand, and payment of the Parent Termination Fee, on the other hand.

(e) From and after the Closing, in the event of any proceeding for a grant of specific performance in accordance with this Section 11.7, if a court of competent jurisdiction or arbitrator determines (in a judgment not subject to further appeal or for which the time for appeal has expired), grants an award of specific performance, then such Party so required to specifically perform its obligations hereunder shall be liable for and pay the reasonable legal fees of the other Parties incurred in connection with such proceeding, including any appeal therefrom.

Section 11.8 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon such a determination, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 11.9 Non-Recourse.

(a) Notwithstanding anything that may be expressed or implied in this Agreement or any Ancillary Agreement or any document, certificate or instrument delivered in connection herewith or therewith or otherwise, each Party hereby acknowledges and agrees, on behalf of itself and its respective Affiliates, that all actions, suits, claims, investigations or proceedings that may be based upon, in respect of, arise under, out of, by reason of, be connected with, or relate in any manner to (a) this Agreement and the Ancillary Agreements or the Transactions, (b) the negotiation, execution or performance of this Agreement and any Ancillary Agreement (including any representation or warranty made in, in connection with, or as an inducement to, any of the foregoing), (c) any breach or violation of this Agreement or any Ancillary Agreement and (d) the failure of the Transactions (including the Debt Financing), to be consummated, in each case may be made only against (and are those solely of) the Persons that are expressly identified as Parties hereto or thereto, as applicable. In furtherance and not in limitation of the foregoing, each Party hereby acknowledges and agrees, on behalf of itself and its respective Affiliates, that no recourse under this Agreement or any Ancillary Agreement or in connection with the Transactions shall be sought or had against any other such Person and no other such Person shall have any Liabilities or obligations (whether in contract or in tort, in law or in equity or otherwise, or granted by statute or otherwise, whether by or through attempted piercing of the corporate, partnership, limited partnership or limited liability company veil or any other theory or doctrine) for any losses, damages, claims, causes of action, obligations or Liabilities of any nature whatsoever arising under, out of, in connection with or related in any manner to the items in the immediately preceding clauses (a) through (d), it being expressly agreed and acknowledged that no personal liability or losses, damages, claims, causes of action, obligations or Liabilities whatsoever shall attach to, be imposed on or otherwise be incurred by any past, present or future shareholder, equity holder, financial sponsor, member, partner, manager, director, officer, employee, Debt Financing Source, Affiliate, agent or representative of any Party (each, a "Non-Recourse Party"), through Purchaser, Parent, Seller, the Transferred Entities or otherwise, whether by or through attempted piercing of the corporate, partnership, limited partnership or limited liability company veil, by or through a claim by or on behalf of any Party, as applicable, by the enforcement of any assessment or by any legal or equitable actions, suits, claims, investigations or proceedings, by virtue of any law, or otherwise, except for claims of fraud.

(b) Notwithstanding anything to the contrary contained herein, no Seller Related Party (other than Purchaser) shall have any rights or claims against any Financing Source in connection with this Agreement, the acquisition, the Debt Financing or the transactions contemplated hereby or thereby, and no Financing Source shall have any rights or claims against any Seller Related Party (other than Purchaser) in connection with this Agreement, the acquisition, the Debt Financing or the transactions contemplated hereby or thereby, whether at law or equity, in contract, in tort or otherwise; provided that, following consummation of the acquisition, the foregoing will not limit the rights of the parties to the Debt Financing under any commitment letter related thereto. In addition, in no event will any Financing Source be liable for consequential, special, exemplary, punitive or indirect damages (including any loss of profits, business or anticipated savings) or damages of a tortious nature.

For our use in connection with the syndication, until the Syndication Date, you agree, upon our request, to (a) provide, and cause your respective affiliates and advisors to provide, and use your commercially reasonable efforts to cause the Acquired Business to provide, to us all customary information reasonably requested by us to successfully complete the syndication, (b) host, with us, one general meeting with prospective Lenders at such time and place as you and we may reasonably agree and to be available (subject to reasonable prior notice and reasonable scheduling accommodations) for conference calls with prospective Lender that we may reasonably request at such times as you and we may reasonably agree (and your using commercially reasonable efforts to cause the officers of the Acquired Business to be available for such meetings and conference calls to the extent practical and appropriate and in all instances not in contravention of the Acquisition Agreement), (c) using your commercially reasonable efforts to assist in the obtainment of inventory appraisals and field examinations as promptly as practicable, (d) assist us (and use your commercially reasonable efforts to cause the Acquired Business to assist us) in the preparation of a customary confidential information memorandum, lender presentation and marketing materials reasonably requested by us to successfully complete the syndication and in the preparation of a customary confidential information memorandum to be used in connection with the syndication of the Credit Facilities (collectively, the “*Marketing Materials*”); provided that you shall not be obligated to provide any information or materials in connection with the foregoing to the extent the provisions of any such information or materials would violate any applicable law or confidentiality restriction provided, further that you should use commercially reasonable efforts to obtain the relevant consents under such obligations of confidentiality to allow for the provision of such information and shall promptly inform the Lead Arrangers in the event any information is withheld on such basis and (e) at any time prior to the later of the Closing Date and the end of the Syndication Period, your ensuring (and, to the extent practical and appropriate and in all instances not in contravention of the Acquisition Agreement, using your commercially reasonable efforts to cause the Acquired Business each of their subsidiaries to ensure) that there are no competing issues, offerings, placements or arrangements of debt securities or commercial bank or other credit facilities by or on behalf of you or any of your subsidiaries or the Acquired Business and its subsidiaries being offered, placed or arranged (other than the Credit Facilities and the Second Lien Facility without the consent of the Lead Arrangers (such consent not to be unreasonably withheld, delayed or conditioned) if such issuance, offering, placement or arrangement could reasonably be expected to materially impair the primary syndication of the Credit Facilities (it being understood and agreed that Borrower, Acquired Business and their respective subsidiaries’ deferred purchase price obligations, ordinary course working capital facilities and ordinary course capital lease, purchase money, equipment financing and letter of credit, in each case, will not be deemed to materially impair the primary syndication of the Credit Facilities). You also agree to use your commercially reasonable efforts to ensure that our syndication efforts benefit from your lending relationships and the lending relationships of the Sponsor.

Notwithstanding anything to the contrary contained in this Commitment Letter or the Fee Letter or any other letter agreement or undertaking concerning the financing of the Transactions to the contrary, neither the commencement nor the completion of the syndication of the Credit Facilities contemplated by this Section 3, nor the receipt of any commitments in respect of any of the Credit Facilities, nor obtaining ratings for any of the Credit Facilities, nor your compliance with any other provision of this Section 3, shall constitute a condition precedent to the availability and/or initial funding of the Credit Facilities on the Closing Date.

Notwithstanding any other provision of this Commitment Letter to the contrary and notwithstanding any assignment, syndication or participation by the Commitment Parties, (i) the Initial Lenders shall not be released, relieved or novated from their respective obligations hereunder (including their respective obligation to fund the Credit Facilities on the Closing Date) in connection with any syndication, assignment or participation of the Credit Facilities, including their respective commitments in respect thereof, until the initial funding of the Credit Facilities on the Closing Date, (ii) no assignment or novation shall become effective with respect to all or any portion of the Initial Lender's respective commitments in respect of the Credit Facilities until after the initial funding of the Credit Facilities on the Closing Date and (iii) the Initial Lenders shall retain exclusive control over all rights and obligations with respect to their respective commitments in respect of the Credit Facilities, including all rights with respect to consents, modifications, supplements and amendments, until the initial funding of the Credit Facilities on the Closing Date has occurred.

3. Conditions.

The availability and/or the initial funding of our commitments hereunder on the Closing Date is subject only to the satisfaction or waiver of the Exclusive Funding Conditions; provided, that (i) the only representations and warranties the accuracy of which shall be a condition to the availability of the Credit Facilities on the Closing Date shall be (A) the Specified Representations (as defined below) and the Acquisition Representations (as defined below) and (ii) the terms of the Credit Facilities Documentation shall be in a form such that it does not impair the availability of the Credit Facilities on the Closing Date if the Exclusive Funding Conditions are satisfied or waived (it being understood that, to the extent that any Collateral or any security interest therein (other than the pledge and perfection of security interests in the pledged certificated stock and other assets pursuant to which a lien may be perfected by the filing of a financing statement under the Uniform Commercial Code or a short-form intellectual property security agreement with the U.S. Patent and Trademark Office or the U.S. Copyright Office) is not or cannot be provided or perfected on the Closing Date after your using commercially reasonable efforts to do so without undue burden or expense, the delivery of such Collateral (and perfection of security interests therein) shall not constitute a condition precedent to the availability of the Credit Facilities on the Closing Date but shall be required to be delivered and perfected after the Closing Date (and in any event, within 45 days after the Closing Date plus any extensions granted by the Agents in their sole discretion). This paragraph is referred to as the "**Funding Conditions Provision**".

"**Specified Representations**" means those representations and warranties of the Loan Parties regarding organization; existence; power and authority, due authorization, execution, delivery and enforceability of the Credit Facilities Documentation; non-contravention of the Credit Facilities Documentation with the governing documents and material indebtedness of the Loan Parties; solvency on a consolidated basis after giving effect to the Transactions; margin regulations; the Investment Company Act; PATRIOT Act, OFAC or FCPA and, subject to the Funding Conditions Provision, the creation, validity, perfection and priority of the security interests granted in the Collateral as of the Closing Date.

"**Acquisition Representations**" means the representations and warranties made by the Seller and Parent in the Acquisition Agreement which are material to the interests to the Lenders, but solely to the extent that the Borrower has the right to terminate its obligations under the Acquisition Agreement or not to consummate the transactions contemplated by the Acquisition Agreement as a result of a breach of (or the inability to make) such representations or warranties.

4. Information.

You agree promptly to prepare and provide (and to use commercially reasonable efforts to cause the Acquired Business to provide) to the Lead Arrangers all customary information with respect to you, the Acquired Business and each of your and its respective subsidiaries and the Transaction, including all financial information and projections prepared by the Acquired Business which is reasonably available to you (including financial estimates, budgets, forecasts and other forward looking information, the "**Projections**"), as the Lead Arrangers may reasonably request in connection with the arrangement of the Credit Facilities; provided that you shall not be obligated to provide any information or materials in connection with the foregoing to the extent the provisions of any such information or materials would violate any applicable law or confidentiality restriction provided, further that you should use commercially reasonable efforts to obtain the relevant consents under such obligations of confidentiality to allow for the provision of such information and shall promptly inform the Lead Arrangers in the event any information is withheld on such basis. You hereby represent and warrant that (with respect to information relating to or provided by the Acquired Business or its affiliates, to your knowledge), (a) all written information and data (other than the Projections and other information of a general economic or general industry nature) (the "**Information**") that has been or will be made available to the Lead Arrangers, the Lenders or their respective affiliates by or on behalf of you or any of your representatives in connection with the Transactions, is or will be when furnished, when taken as a whole, correct in all material respects and does not or will not, when furnished and taken as a whole, contain any untrue statement of material fact or omit to state a material fact necessary to make the statements contained therein not materially misleading in light of the circumstances under which such statements are made, when taken as a whole (after giving effect to all supplements and updates thereto through the date furnished) and (b) the Projections that have been or will be made available to the Lead Arrangers, the Lenders or their respective affiliates by or on behalf of you or any of your representatives in connection with the Transactions have been or will be prepared in good faith based upon accounting principles materially consistent with your historical audited financial statements and the historical audited financial statements of the Acquired Business and assumptions that you believe (of, if different, the preparer thereof) to be reasonable at the time made and at the time the related Projections are made available to the Lead Arrangers, the Lenders or their respective affiliates; it being understood that Projections are as to future event and are not to be viewed as facts and are subject to significant uncertainties and contingencies, many of which are beyond your control, that no assurances can be given that any particular projection will be realized, are not a guarantee of financial performance and that actual results during the period or periods covered by any such projections may differ significantly from the projected results and such differences may be material. You agree that, if any time prior to the Closing Date, you become aware that any of the representations in the preceding sentence would be incorrect (and to your knowledge with respect to information regarding or provided by the Acquired Business or its affiliates) in any material respect if the Information and Projections were being furnished, and such representations were being made, at such time, then you will (or prior to the Closing Date with respect to information and data concerning the Acquired Business or its affiliates, you will use commercially reasonable efforts to) promptly supplement the Information and/or Projections so that such representations will be correct (or to your knowledge with respect to information relating to the Acquired Business) in all material respects under those circumstances. In arranging the Credit Facilities, the Lead Arrangers (i) will be entitled to use and rely primarily on the Information and the Projections without responsibility for independent verification thereof and (ii) assume no responsibility for the accuracy or completeness of the Information or the Projections. Notwithstanding anything to the contrary contained in the Commitment Letter and Fee Letter, none of the making of any representations under this section, the provision of any supplement to any Information or Projections, nor the accuracy of any such representation or warranty shall constitute a condition precedent to the availability and/or initial funding of the Credit Facilities on the Closing Date.

\$674,000,000 Second Lien Term Loan Facility
Commitment Letter

Ladies and Gentlemen:

1. Commitments

GSO Capital Partners LP (together with its affiliates and funds and accounts managed or advised by any of them, “GSO”, “we” or “us”) hereby commits (on behalf of funds and accounts managed or advised by GSO and its affiliates) to provide a \$674,000,000 second lien term loan credit facility (the “Second Lien Term Loan Facility”) upon the terms and subject only to the satisfaction or waiver by GSO of all the conditions set forth in Exhibit A attached hereto (the “Conditions to Closing”). The Second Lien Term Loan Facility will be used by you, or a newly formed entity controlled directly or indirectly by you, in connection with the acquisition (the “Acquisition”), of the business code named “Legend” (the “Acquired Business”) pursuant to that certain Purchase and Sale Agreement by and among GBG, GBG USA Inc. (“GBG USA”) and Borrower as the Purchaser dated as of on or about the date hereof and all related ancillary agreements (collectively, the “Acquisition Agreement”) dated as of June 27, 2018. The funding and/or availability of the Second Lien Term Loan Facility on the Closing Date, the funding of the First Lien Facilities on the Closing Date, the consummation of the Acquisition (including the repayment of all amounts owing in respect of the Acquired Business’s existing third-party indebtedness for borrowed money (other than Permitted Surviving Debt)), the Equity Contribution, and the payment of all fees, costs and expenses incurred in connection therewith are collectively referred to as the “Transaction”. The Summary of Principal Terms and Conditions attached hereto as Exhibit B (the “Term Sheet”), the Conditions to Closing, and this letter, in each case as amended, restated, supplemented or otherwise modified in accordance with its terms, are referred to herein as, collectively, this “Commitment Letter”. Capitalized terms used in the text of this Commitment Letter without definition have the meanings assigned in the Term Sheet or Conditions to Closing.

You agree and acknowledge that, in conjunction with the closing of the Transaction and subject only to the satisfaction or waiver by GSO of all of the Conditions to Closing, the Borrower shall borrow the loans from GSO made available under the Second Lien Term Loan Facility and in accordance with the Term Sheet.

2. Conditions

GSO's commitment to fund the Second Lien Term Loan Facility on the Closing Date is subject only to the satisfaction or waiver by GSO of Conditions to Closing. As used in this Commitment Letter, "Closing Date" means the date upon which the Conditions to Closing shall be satisfied or waived by GSO.

3. Titles and Roles

You agree that no other titles will be awarded and no compensation (other than that expressly contemplated by this Commitment Letter and the Fee Letter referred to below) will be paid in connection with the Second Lien Term Loan Facility unless you and we shall so agree in writing.

GSO reserves the right, with your prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) to syndicate a portion of the Second Lien Term Loan Facility to certain other investors that are reasonably acceptable to you. Any assignment by GSO to any such potential investor made prior to the Closing Date will not relieve GSO of its obligations set forth herein to fund the Second Lien Term Loans on the Closing Date. You agree to use commercially reasonable efforts, and cause the Sponsor to use its commercially reasonable efforts, to reasonably cooperate with GSO with respect to such syndication.

4. Information

You hereby represent (but only to your knowledge with respect to any of the information referred to below relating to or provided by the Acquired Business and its affiliates) and warrant that (a) all written factual information (other than projections, budgets, estimates and forward-looking statements ("Projections") and general economic or industry-specific information) (the "Information") that has been and will be made available to GSO by you, the Acquired Business or any of your or its respective affiliates (which, for purposes of this Commitment Letter, includes Tengram Capital Partners L.P. ("Sponsor") or representatives, in each case, in connection with the Transaction, when taken as a whole and after giving effect to all supplements and updates provided thereto, is or will be, when furnished, supplemented or updated, as the case may be, complete and correct in all material respects and does not and will not, when furnished, supplemented or updated, as the case may be, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not materially misleading in light of the circumstances under which such statements are made, when taken as a whole, (after giving effect to all supplements and updates thereto through the date furnished) and (b) the Projections that have been or will be made available to GSO by you, the Acquired Business or any of your or its respective affiliates or representatives have been or will be prepared in good faith based upon assumptions believed by you to be reasonable at the time such Projections are furnished (it being understood and agreed that Projections are not a guarantee of financial performance, actual results may differ from Projections and such differences may be material and Projections are subject to significant uncertainties and contingencies, many of which are beyond the control of you, the Sponsor and the Acquired Business). You agree that if at any time prior to the Closing Date, any of the representations in the preceding sentence would be incorrect in any material respect if the Information or Projections were being furnished, and such representations were being made, at such time, then you will promptly supplement (or with respect to information regarding or provided by the Acquired Business or its affiliates, use commercially reasonable efforts to promptly supplement) the Information or the Projections, as the case may be, so that such representations will be correct in all material respects under those circumstances (with respect to Information or Projections relating to the Acquired Business, will be correct under those circumstances to your knowledge). You understand that in providing the Second Lien Term Loan Facility, GSO may use and rely on the Information and Projections without independent verification thereof.

5. Expenses

Regardless of whether or not the Second Lien Term Loan Facility closes you hereby agree to reimburse on the Closing Date (or if the Closing Date does not occur, upon demand at any time after termination of the commitments hereunder), upon presentation of a summary statement, GSO for all reasonable and documented out-of-pocket fees and expenses ((i) limited in the case of legal expenses to the reasonable and documented costs and out-of-pocket expenses of (w) one (1) legal counsel for each of GSO and the Second Lien Administrative Agent, (x) one (1) local counsel in each relevant jurisdiction (which may include a single local counsel acting in multiple jurisdictions) and (y) one (1) regulatory counsel if reasonably required for each of GSO and the Second Lien Administrative Agent and (ii) in each and every case, excluding the allocated costs of internal counsel and excluding all fees, costs and expenses incurred by any person acting in any other capacity for the Second Lien Term Loan Facility (including any Second Lien Lender or any prospective Second Lien Lender) incurred by them in connection with this Commitment Letter, the fee letter dated the date hereof by and among the parties hereto (as amended, amended and restated and otherwise modified, the "Fee Letter"), the Transaction, and the Second Lien Term Loan Facility.

6. Confidentiality

You agree that you will not disclose the contents of this Commitment Letter, the Fee Letter or the GSO's involvement with, GSO's commitment to provide the Second Lien Term Loan Facility to any third party (including, without limitation, any financial institution or intermediary) without GSO's prior written consent (not to be unreasonably withheld, conditioned or delayed) other than (a) to the Sponsor and those individuals who are your and its respective directors, officers, members, partners, employees, attorneys, accountants, agents, affiliated investment funds, equityholders or advisors, First Lien Lenders (as defined below) and to any actual or potential co-investors, in each case, in connection with the Transaction on a confidential basis; provided, that this Commitment Letter (but not the Fee Letter or the contents thereof other than (i) the existence thereof and the contents thereof with respect to fees generally in the aggregate as part of projections and pro forma information, (ii) a generic disclosure of aggregate sources and uses to the extent customary, (iii) a customarily redacted version (excluding the amount of fees set forth in the Fee Letter) may also be disclosed to the Acquired Business, the sellers under the Acquisition Agreement and their respective directors, officers, members, partners, employees, attorneys, accountants, agents, equityholders and advisors on a confidential basis, (b) if GSO consents in writing to such disclosure, (c) as may be compelled by the order of any court or administrative agency in a legal, judicial or administrative proceeding or as otherwise required by law, regulation, subpoena or compulsory legal process where, in your reasonable judgment, disclosure is required by such law regulation, subpoena or compulsory legal process, or to the extent requested or required by any governmental and/or regulatory authorities (in which case you shall promptly notify GSO, to the extent reasonably practicable, of such requirement to disclose to the extent permitted by law), (d) to the extent this Commitment Letter, the Fee Letter or the contents hereof or thereof, as applicable, become publicly available other than by reason of disclosure by you in breach of this Commitment Letter or any other confidentiality obligations to which you are bound or have agreed to comply with, (e) to the extent reasonably necessary or advisable to enforce your rights and remedies hereunder or thereunder and (f) with a prior opportunity to review and discuss such filings, in filings with the Securities and Exchange Commission and other applicable regulatory authorities and stock exchanges. The foregoing restrictions shall cease to apply after the definitive documentation shall have been executed and delivered by the parties hereto (other than with respect to any economics referenced in the Fee Letter). GSO reserves the right to review and approve (not to be unreasonably withheld or delayed), in advance, all public materials, press releases, public advertisements and public disclosures that contain GSO's or any of its affiliates' names or describe GSO's financing commitment; provided that no such right to review and approve shall be required with respect to any disclosure required to be made pursuant to applicable law or, for the avoidance of doubt, any disclosures made permitted pursuant to clause (f) of this paragraph. Your obligations under this paragraph with regard to this Commitment Letter (but not the Fee Letter) shall automatically terminate on the first anniversary of the date hereof.

GSO shall, until the earlier of (i) eighteen (18) months from the date hereof or (ii) the funding of the Second Lien Term Loan Facility, treat confidentially in accordance with its customary procedures for handling confidential information, all written information received by it from you and/or the Acquired Business or your or their respective affiliates and representatives in connection with the Transaction and will use all such information provided to it or such affiliates by or on behalf of you hereunder or in connection with the Acquisition and the Transaction solely for the purpose of providing the services that are the subject of this Commitment Letter (including the financing transactions contemplated hereby); provided, however, upon the execution and delivery of the Credit Documentation, the provisions of the Credit Documentation shall govern the confidentiality matters described in this paragraph and shall supersede the terms herein relating thereto. Nothing herein shall prevent GSO from disclosing any such information (i) with your written consent, (ii) as may be compelled by the order of any court or administrative agency in a legal, judicial or administrative proceeding or as otherwise required by law, regulation, subpoena or compulsory legal process where, in your reasonable judgment, disclosure is required by such law regulation, subpoena or compulsory legal process, or to the extent requested or required by any governmental and/or regulatory authorities (in which case GSO shall promptly notify you, to the extent reasonably practicable, of such requirement to disclose to the extent permitted by law), (iii) upon the request or demand of any regulatory authority or other regulatory authority (including any self-regulatory authority) having jurisdiction over GSO or its affiliates (in which case GSO shall, except with respect to any audit or examination conducted by accountants or any governmental regulatory authority exercising examination or regulatory authority, promptly notify you, in advance, to the extent lawfully permitted to do so and reasonably practicable), (iv) in connection with the proposed transactions and on a confidential basis to its affiliates and its and their direct or indirect shareholders, partners or members, current and prospective financing sources, existing and prospective investors, employees, directors, officers, legal counsel, independent auditors, professionals, advisors and other experts or agents of GSO or its affiliates who have been informed of the confidential nature of such information and are or have been advised of their obligation to keep information of this type confidential, (v) to industry trade organizations to the extent such information with respect to the Second Lien Term Loan Facility is customarily included in league table measurements, (vii) to the extent any such information becomes publicly available other than by reason of a breach of the confidentiality obligations set forth in this paragraph, (y) becomes available to GSO on a non-confidential basis from a source other than you or on your behalf and not known to GSO to have been provided in violation of any confidentiality agreement or obligation owed to you, or (z) was available to GSO, as applicable, on a non-confidential basis prior to its disclosure to GSO by you, (viii) to any assignees or prospective assignees, or participants or prospective participants (including any potential investors), in each case, who agree to be bound by the terms of this paragraph (or language substantially similar to this paragraph); provided that in no event shall any disclosure be made to any Disqualified Institution, or (ix) in filings with the Securities and Exchange Commission and other applicable regulatory authorities and stock exchanges or (x) in protecting and enforcing GSO's rights with respect to this Commitment Letter. As used herein, "Disqualified Institution" means any person that is (i) designated by the Borrower, by written notice delivered to GSO on or prior to the Closing Date (or the Second Lien Administrative after the Closing Date), as a (x) disqualified institution, or (y) competitor of the Acquired Business or your or its respective subsidiaries ("Competitor") or (ii) any person that is clearly identifiable, solely on the basis of such person's name, as an affiliate of any person referred to in clauses (i)(x) or (i)(y) above.

7. Indemnity

Regardless of whether the Second Lien Term Loan Facility closes, you agree to (a) indemnify, defend and hold GSO, its affiliates and the principals, directors, officers, employees, representatives, agents and third party advisors of each of them ("Related Persons") (each, an "Indemnified Person"), harmless from and against all losses, disputes, claims, investigations, litigation, proceedings, reasonable and documented out-of-pocket expenses, damages, and liabilities of any kind to which any Indemnified Person may become subject in connection with this Commitment Letter, the Fee Letter, the Second Lien Term Loan Facility, the use or the proposed use of the proceeds thereof, the Transaction or any other transaction contemplated by this Commitment Letter (each, a "Claim", and collectively, the "Claims"), regardless of whether such Indemnified Person is a party thereto (and regardless of whether such matter is initiated by a third party, you, the Acquired Business or any of your or its respective affiliates), and (b) reimburse each Indemnified Person within twenty days of presentment of a summary statement for all reasonable and documented out-of-pocket fees and expenses ((i) limited in the case of legal expenses to the reasonable and documented costs and out-of-pocket expenses of (w) one (1) legal counsel for all such Indemnified Persons, taken as a whole, (x) one (1) local counsel in each relevant jurisdiction (which may include a single local counsel acting in multiple jurisdictions) and (y) one (1) regulatory counsel if reasonably required for all such Indemnified Persons, taken as a whole, and (ii) in each and every case, excluding the allocated costs of internal counsel) incurred in connection with investigating, preparing to defend or defending, or providing evidence in or preparing to serve or serving as a witness with respect to, any lawsuit, investigation, claim or other proceeding relating to any of the foregoing (each, an "Expense"); provided, that no Indemnified Person shall be entitled to indemnity hereunder in respect of any Claim or Expense to the extent that the same (i) is found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, willful misconduct or bad faith of such Indemnified Person (or any of its Related Persons), (ii) results from a material breach by such Indemnified Person of its obligations under this Commitment Letter or the Fee Letter at a time when you have not breached your obligations hereunder in any material respect or (iii) results from a dispute solely among Indemnified Persons not arising out of any act or omission on the part of you or your affiliates.

No party hereto or any of their respective affiliates shall be liable for any punitive, exemplary, consequential or indirect damages alleged in connection with, arising out of, or relating to, any Claims, this Commitment Letter, the Fee Letter, the Second Lien Term Loan Facility, the use or the proposed use of the proceeds thereof, the Transaction, or any other transaction contemplated by this Commitment Letter; provided, that nothing contained in this paragraph shall limit your indemnity and expense reimbursement obligations to the extent such punitive, exemplary, consequential or indirect damages are included in any third party claim.

Furthermore, you hereby acknowledge and agree that the use of electronic transmission is not necessarily secure and that there are risks associated with such use, including risks of interception, disclosure and abuse. You agree to assume and accept such risks and hereby authorize the use of transmission of electronic transmissions, and that none of GSO nor any of its affiliates will have any liability for any damages arising from the use of such electronic transmission systems except to the extent the same is found by a final non-appealable judgment of a court of competent jurisdiction to have arisen from the gross negligence, willful misconduct or bad faith of or a material breach of this Commitment Letter or the Fee Letter by GSO or any of its Related Persons.

The foregoing provisions in this Section 7 shall be superseded in each case, to the extent covered thereby, by the applicable provisions contained in the Credit Documentation upon execution thereof and thereafter shall have no further force and effect.

8. Sharing Information; Absence of Fiduciary Relationship

You acknowledge that GSO and/or its affiliates may be investing in, or providing debt financing, equity capital or other services to, other companies with which you may have conflicting interests; provided, however, that the foregoing shall not excuse compliance by GSO with their obligations (including confidentiality obligations) hereunder. You further acknowledge and agree that (a) no fiduciary, advisory or agency relationship between you and GSO and/or its affiliates has been or will be created in respect of any of the transactions contemplated by this Commitment Letter, irrespective of whether GSO and/or its affiliates have advised or are advising you on other matters and (b) you will not assert any claim against GSO and/or its affiliates for breach or alleged breach of fiduciary duty and agree that neither GSO nor its affiliates shall have any direct or indirect liability to you in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on behalf of or in right of you, including your stockholders, employees or creditors.

9. Assignments and Amendments

This Commitment Letter shall not be assignable by any party hereto without the prior written consent of the other parties hereto (and any purported assignment without such consent shall be null and void), and is solely for the benefit of the parties hereto and is not intended to confer any benefits upon, or create any rights in favor of, any person other than the parties hereto and the Indemnified Persons. For the avoidance of doubt and notwithstanding the foregoing, GSO may assign its commitment hereunder, in whole or in part, to its affiliates and funds and accounts managed or advised by GSO and may perform any or all of its obligations hereunder through such affiliates and funds; provided, that, notwithstanding any such assignment, (i) with respect to amounts to be funded on the Closing Date, the commitment of GSO to fund its committed portions of the Second Lien Term Loan Facility on the terms and conditions set forth in this Commitment Letter and the Fee Letter will be reduced solely to the extent such other affiliates, funds, accounts managed or advised by GSO fund their commitments on the Closing Date and (ii) GSO must retain exclusive control over all rights and obligations with respect to its commitments prior to close. This Commitment Letter may not be amended or waived except in a written instrument signed by you and GSO.

The parties hereto expressly submit and consent in advance to such jurisdiction in any action or suit commenced in any such court, and hereby waive any objection, which each of the parties may have based upon lack of personal jurisdiction, improper venue or inconvenient forum.
