ITEM 11. EXECUTIVE COMPENSATION.

Compensation, Discussion and Analysis

Overview

This Compensation Discussion and Analysis relating to our executive officer compensation focuses on the following: (1) the objectives of the executive compensation policies and practices; (2) the objectives that the compensation program is designed to reward; (3) each element of compensation; (4) the rationale for each element of compensation; (5) the methodologies utilized by us in determining the amounts to pay for each element; and (6) how an element of compensation and our rationale for each element fit together within our overall compensation objectives. This discussion relates to our Principal Executive Officer, Principal Financial Officer, and our Creative Director, or collectively, our Named Executive Officers.

For our fiscal year ended November 30, 2014, our Named Executive Officers include:

- Marc B. Crossman, Former Chief Executive Officer and President
- Hamish Sandhu, Chief Financial Officer
- Joseph M. Dahan, Creative Director
- Peter Kim, Chief Executive Officer of Hudson

Effective January 19, 2015, Marc B. Crossman resigned as our Chief Executive Officer and President. Also effective January 19, 2015, the Board of Directors appointed Samuel Joseph Furrow, Jr. to the position of Interim Chief Executive Officer. Effective February 11, 2015, Samuel Joseph Furrow, Jr. resigned as our Interim Chief Executive Officer and the Board of Directors appointed Samuel J. Furrow as our Interim Executive Officer.

"Say on Pay" Vote

At our 2014 annual meeting of stockholders held on May 8, 2014, our stockholders were asked to consider and vote on a resolution approving the compensation of our Named Executive Officers, commonly referred to as "say on pay." A substantial majority of our stockholders approved the compensation of our Named Executive Officers, with approximately 76 percent of the votes cast in favor of that "say on pay" resolution. While we are pleased with our stockholder support, we will continue to actively evaluate our executive compensation program.

Compensation Philosophy

Our executive compensation program is designed to provide proper incentive to management to maximize performance in order to encourage creation of stockholder value and achievement of strategic corporate objectives, attract and retain qualified, skilled and dedicated executives on a long-term basis, reward past performance and provide incentives for future performance.

In keeping with these objectives, our goal is to (1) align the interests of the executive officers with the interests of our stockholders, (2) ensure the long-term commitment of our management team, and (3) ensure accountability for both our overall performance and the individual's performance and contribution.

In setting the level of cash and equity compensation, the Compensation Committee of our Board of Directors considers various factors, including our overall performance and the individual's performance during the year, the uniqueness and relative performance of the executive's skill set, the expected future contribution to us and competitive conditions. In addition, the Compensation Committee considered our stockholders' affirmative 'say on pay' vote at our annual meeting in October 2011 and again in May 2014 and continued to apply the same principles in determining the amounts and types of executive compensation. In addition, our Compensation Committee reviews compensation for our Chief Executive Officer, and considers the recommendation by the Chief Executive Officer for the other Named Executive Officers other than the Chief Executive Officer.

Elements of Compensation

Our compensation structure for our Named Executive Officers consists of a combination of (1) base salary, (2) long-term incentive awards primarily through grants of restricted stock and restricted stock units pursuant to our stock incentive plans, (3) company paid benefits, including medical insurance, dental insurance, 401(k) Plan, disability insurance, life insurance and flexible spending accounts, and (4) discretionary cash bonuses for certain of our Named Executive Officers. The Compensation Committee also takes into account certain change in control provisions available to our Named Executive Officers.

2015 Compensation

On January 19, 2015, our Board of Directors accepted the resignation of Mr. Crossman as our Chief Executive Officer and President. The Board of Directors and Mr. Crossman also agreed that Mr. Crossman would become a consultant for a period of twelve (12) months pursuant to a Consulting Agreement. In exchange for a release of all claims related to Mr. Crossman's employment and the provision of consulting services by Mr. Crossman, we have agreed to pay Mr. Crossman the following: (i) payment of \$35,775.00 per month for a period of twelve (12) months; (ii) acceleration of the unvested equity awards previously granted to Mr. Crossman; (iii) granted him restricted common stock in the amount of 600,000 shares that vest 1/12th on a monthly basis over the twelve (12) month period; and (iv) agreed to reimburse him for health and dental COBRA payments for a period of twelve (12) months or until he is eligible for coverage under a successor employer's group health plan. Mr. Crossman is subject to confidentiality, non-solicitation and non-competition restrictions for a period of two (2) years following termination of his employment.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management.

Based upon this review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Amendment No. 1 to the Annual Report on Form 10-K for the year ended November 30, 2014 and incorporated by reference into our proxy statement for our 2015 Annual Meeting of Stockholders.

Board of Directors,*

Employment Contracts and Termination of Employment and Change in Control Arrangements

Change in Control Provisions

Mr. Dahan's employment agreement contains certain change in control provisions. These provisions provide him with certain compensation arrangements in the event that a change in control occurs. Prior to its termination in January 2015, Mr. Crossman also had a change in control provision in his employment agreement that would have provided him with certain compensation arrangements in the event a change of control occurred prior to its termination. In addition, our Amended and Restated 2004 Stock Incentive Plan and 2004 Stock Incentive Plan each contain a change in control provision which provides for the immediate vesting in full of all grants or lapse of all restrictions for all grantees, including our Named Executive Officers, in the event a change in control occurs.

Marc Crossman

On May 30, 2008, we entered into an Executive Employment Agreement, or the Crossman Employment Agreement, with Mr. Crossman to serve as our President and Chief Executive Officer. Mr. Crossman was previously serving as our President since September 2004 and as our Chief Executive Officer since January 2006 under an employment at-will arrangement.

On January 19, 2015, our Board of Directors accepted the resignation of Mr. Crossman from his positions. The Board and Mr. Crossman also agreed that Mr. Crossman would become a consultant for a period of twelve (12) months pursuant to a Consulting Agreement. In exchange for a release of all claims related to Mr. Crossman's employment and the provision of consulting services by Mr. Crossman, we have agreed to pay Mr. Crossman the following: (i) payment of \$35,775.00 per month for a period of twelve (12) months; (ii) acceleration of the unvested equity awards previously granted to Mr. Crossman; (iii) granted him restricted common stock in the amount of 600,000 shares that vest 1/12th on a monthly basis over the twelve (12) month period; and (iv) agreed to reimburse him for health and dental COBRA payments for a period of twelve (12) months or until he is eligible for coverage under a successor employer's group health plan. Mr. Crossman is subject to confidentiality, non-solicitation and non-competition restrictions for a period of two years following termination of his employment.

However, under the terms of the Crossman Employment Agreement before his resignation, Mr. Crossman received an annual salary of \$429,300 and was entitled to receive other cash and non-cash compensation, including an annual discretionary bonus targeted at 50% of his base salary based upon the achievement of financial and other performance criteria as set forth in the Crossman Employment Agreement, an annual grant of equity compensation pursuant to our stock incentive plans, and life and disability insurance policies paid on his behalf. The Crossman Employment Agreement was effective as of December 1, 2007, the commencement of our 2008 fiscal year, and had an initial term of two years, which automatically renewed for another two year period on December 1, 2009, December 1, 2011 and December 1, 2013, respectively before it was terminated on January 19, 2015.

In the event that Mr. Crossman's employment would have been terminated by us other than for Cause, terminated by Mr. Crossman for Good Reason, terminated by us within 18 months following a Change in Control and without Cause, or terminated by Mr. Crossman within 18 months following a Change in Control and for Good Reason, Mr. Crossman would have been entitled to certain severance payments and benefits, including an amount equal to 24 months of his prior year's base salary and bonus in exchange for his execution of a release of claims. Mr. Crossman was not entitled to severance benefits if he died during the term of his employment, he was terminated for Cause or due to Disability, he terminated his employment for a reason other than a good reason, or revoked his agreement to release us from any and all claims related to his employment. "Cause" under the Crossman Employment Agreement was defined as: (i) conviction of an offense involving an act of dishonesty, fraud or any other act of moral turpitude, or using alcohol, narcotics or illegal drugs to such an extent that it repeatedly materially adversely affects executive's performance hereunder; (ii) substantial and willful failure to perform specific and lawful written directives of the Board; (iii) willful and knowing violation of any rules or regulations of any governmental or regulatory body that is materially injurious to the financial condition of the company; (iv) conviction of or plea of guilty or nolo contendere to a felony or an act of moral turpitude; or (v) a material breach of the terms and conditions of the employment agreement. "Disability" was defined as executive's incapacity due to physical or mental illness (as determined in good faith by a physician acceptable to the company and executive), (i) absent from the full-time performance of his duties for 120 consecutive days during any 12 month period or (ii) if a physician acceptable to the company and executive advises us that it is likely that executive will be unable to return to the full-time performance of his duties for 120 consecutive days during the succeeding 12 month period. "Good Reason" was defined as: (i) a material breach of the employment agreement by us that is not cured in the applicable time periods; (ii) relocation of the company more than 50 miles from Commerce, California; or (iii) a material reduction in Mr. Crossman's base salary. A "Change in Control" was defined as: (i) a change in the our incumbent directors such that they no longer constitute a majority of the directors; (ii) any person or entity becoming the beneficial owner of 50 percent or more of our combined voting power; (iii) the consummation of a merger, consolidation, share exchange or other corporate transaction involving us that requires the approval of our stockholders where our stockholders as a group no longer own at

least 50 percent of the voting power of the surviving corporation or our board members do not constitute a majority of the new board members of the surviving corporation; or (iv) the approval by our stockholders to liquidate or dissolve.

Joseph M. Dahan

In connection with the completion of a merger between us, our Joe's subsidiary and JD Holdings in October 2007, Mr. Dahan's employment agreement automatically became effective for service as our Creative Director. Under the employment agreement, the initial term of employment was for five years with automatic renewals for successive one year periods thereafter, unless terminated earlier. Mr. Dahan is entitled to an annual salary of \$300,000 and other discretionary benefits that the Compensation Committee of the Board of Directors may deem appropriate in its sole and absolute discretion.

Under the terms of the employment agreement, we may terminate the employment of Mr. Dahan for Cause or for Mr. Dahan's Disability. "Cause" is defined as: (i) a conviction, plea of guilty or nolo contendere to a felony or a crime of moral turpitude; (ii) a material breach of any provision of the employment agreement that is not cured within 45 days of receipt of written notice of such breach; (iii) the solicitation, persuasion or attempt at persuasion for any employee, consultant, contractor, customer or potential customer to engage in an act prohibited by the employment agreement; or (iv) a violation of any of our policies in our handbook or code of ethics and such violation constitutes a breach of the Code of Ethics or warrants termination. "Disability" is defined as inability to perform duties for 180 consecutive days or shorter periods aggregating 270 days during any 12 month period.

Should we terminate Mr. Dahan's employment for Cause or Disability, we would only be required to pay him through the date of termination. We may terminate Mr. Dahan's employment without Cause at any time upon two weeks' notice, provided that we pay him the present value of the annual salary amounts otherwise due to him for the remainder of the initial term of employment or any renewal term. Mr. Dahan may terminate his employment for Good Reason at any time within 30 days written notice. "Good Reason" is defined as: (i) a material breach of the employment agreement by us that is not cured within 30 days of written notice or (ii) Mr. Dahan's decision to terminate employment at any time after 18 months following a Change in Control. A "Change in Control" is defined as: (i) the sale or disposal of all or substantially all of the assets; (ii) the merger or consolidation with another company provided that our stockholders as a group no longer own at least 50 percent of the voting power of the surviving corporation; (iii) any person or entity becoming the beneficial owner of 50 percent or more of our combined voting power; or (iv) the approval by our stockholders to liquidate or dissolve. In the event that Mr. Dahan terminates his employment for Good Reason, then he will be entitled to the present value of the annual salary amounts otherwise due to him for the remainder of the initial term of employment or any renewal term. Further, Mr. Dahan may terminate his employment for any reason upon ten business days' notice and only be entitled to his salary as of the date of termination on a pro rata basis.

The employment agreement contains customary terms and conditions related to confidentiality of information, ownership by us of all intellectual property, including future designs and trademarks, alternative dispute resolution and Mr. Dahan's duties and responsibilities to us as Creative Director.

In addition, pursuant to the merger agreement, Mr. Dahan was entitled to, for 120 months following October 25, 2007, irrespective of his employment status, additional contingent consideration payments based upon our achievement of certain gross profit thresholds on sales from our Joe's® brand products. On February 18, 2013, we entered into a new agreement with Mr. Dahan that provided certainty of payments to him by removing the contingencies related to the contingent consideration payments. This agreement fixed the overall amount to be paid by us for the remaining months of year six through year 10 with payments being made over an accelerated time period until November 2015

instead of October 2017. Under the agreement, the total aggregate amount Mr. Dahan will receive is \$9,168,000, which will be paid in weekly installments until November 2015. However, as a result of our default under the revolving credit agreement and the term loan credit agreement, we are currently prohibited from making any payments to Mr. Dahan.

Peter Kim

In connection with the acquisition of Hudson, we have entered into an employment agreement with Peter Kim pursuant to which Mr. Kim serves as the Chief Executive Officer of Hudson. The employment agreement became effective on September 30, 2013 upon completion of the acquisition of Hudson, and has a term of three years. Mr. Kim's initial base salary will be \$500,000 per year, and such amount will be reviewed by the Compensation Committee at least annually, provided that the base salary may not be decreased during Mr. Kim's term of employment. In addition to his base salary, Mr. Kim will also be eligible to receive an annual discretionary bonus targeted at 50% of his base salary, based on the satisfaction of criteria and performance standards as established in advance and agreed to by Mr. Kim and the Compensation Committee. The employment agreement also provides Mr. Kim with certain other benefits and the reimbursement of certain expenses.

In the event of a termination of Mr. Kim's employment for any reason or no reason, we must pay Mr. Kim for (i) his accrued but unpaid base salary through the date of termination, (ii) any accrued but unused vacation time, (iii) any unreimbursed expenses, and (iv) any bonus amounts that have been earned but have not been paid, and any bonus for the period in which termination occurred, prorated for the partial period, any rights under any benefit or equity plan, program or practice, and his rights to indemnification and directors and officers liability insurance.

In addition, in the event of a termination of Mr. Kim's employment without Cause or in the event that Mr. Kim voluntarily terminates his employment for "Good Reason", we will also be required (i) to make a severance payment to Mr. Kim equal to twelve months of his base salary, payable in twelve monthly installments and (ii) pay for the COBRA premiums (to the extent they exceed applicable active employee rates) on our group medical plan for Mr. Kim and his spouse and dependents for the shorter of the first 12 months of such coverage or his period of COBRA eligibility. Our obligation to provide the foregoing severance benefits is subject to Mr. Kim's execution of a settlement agreement and release. "Cause" is defined as the same as the Crossman Employment Agreement. "Good Reason" is defined as (i) a material breach of the employment agreement by us that is not cured in the applicable time periods; (ii) relocation of the company more than 50 miles from Commerce, California; (iii) requiring Mr. Kim to report to anyone other than the CEO of Joe's; (iv) a material breach by us of any provision of the employment agreement; or (v) a material reduction in Mr. Kim's base salary.

The employment agreement also contains exclusivity, non-compete and non-solicitation covenants generally prohibiting Mr. Kim from providing services to a competitor during the term of his employment or soliciting employees during the term of his employment and for 12 months following his termination of employment. In addition, the employment agreement mandates that Mr. Kim's confidentiality obligations continue even after his termination of employment.

Mr. Kim has also entered into a non-competition agreement which also became effective on September 30, 2013 upon completion of the acquisition of Hudson, pursuant to which Mr. Kim has agreed not to engage in, compete with or permit his name to be used by or in connection with any premium denim apparel business outside his role with Hudson, that is competitive to us, Hudson or our respective subsidiaries, or to solicit certain personnel for a period of up to three years from the closing of the acquisition.

In connection with Mr. Sandhu's appointment as CFO, we entered into a written offer letter whereby Mr. Sandhu agreed to serve as our CFO. Under the terms of the offer letter, Mr. Sandhu's annual base salary was \$205,000, which was increased to \$255,000 in November 2008 and \$280,000 in December 2012. We also agreed to pay the full cost of participation in our health insurance plan for Mr. Sandhu and his family. Notwithstanding anything to the contrary, Mr. Sandhu is an employee at-will and has not entered into an employment agreement with us.

Amended and Restated 2004 Stock Incentive Plan, 2004 Stock Incentive Plan, Restricted Stock Agreement and Restricted Stock Unit Awards

Under the terms both of the Amended and Restated 2004 Stock Incentive Plan and the 2004 Stock Incentive Plan, all unvested awards accelerate and immediately vest upon the occurrence of a Change in Control for all grantees. Further, Mr. Crossman's Restricted Stock Agreement and each RSU Award contains certain provisions regarding the terms and conditions of the grant. Each vests upon the earliest to occur of the participant's Death, Disability (each as defined in the Plan), or separation from service by us without Just Cause (as defined below). Upon a separation from service for any other reason (including, without limitation, termination by us for Just Cause or by participant for any reason) prior to the date that participant becomes 100 percent vested in the award, the unvested units or shares are forfeited immediately. Under the award agreements, "Just Cause" means (a) a conviction for, or a plea of guilty or nolo contendere to, a felony or any other crime which involves fraud, dishonesty or moral turpitude, or (b) a material breach of any written employment policies or rules, including our Code of Business Conduct and Ethics.

Potential Payments Upon Termination or Change in Control

The following table reflects the amounts that would be paid if a change in control or other termination event occurred on November 30, 2014 and our stock price per share was the closing market price as of that date. The closing market price per share of our common stock on November 30, 2014 was \$0.60. However, subsequent to our fiscal year ended November 30, 2014, in January 2015, our Board of Directors accepted the resignation of Mr. Crossman as our President and Chief Executive

Officer and entered into a separate consulting agreement with him that provided him with payments different than those he would have received under his employment agreement.

Director Compensation

Historically, our non-employee directors have been compensated for service through an equity grant or on a cash basis. Our non-employee directors are not compensated in any other manner; however, they are reimbursed for travel and business expenses associated with attending our annual meeting if the director's schedule permits such attendance or other in person meetings.

In February 2014, the Compensation Committee of the Board of Directors approved grants of restricted stock units, or RSUs, with a fair market value of \$98,000 to each non-employee director, for which the non-employee director had the option to elect all RSUs or 1/3 of the fair market value in cash and 2/3 in RSUs or the entire award in cash to be paid quarterly. The following non-employee directors each received 65,772 RSUs: Sam Furrow and Suhail Rizvi. The following non-employee directors received 44,067 RSUs and \$32,340 in cash: Kent Savage and Joanne Calabrese. Kelly Hoffman received \$98,000 as a cash retainer. The RSUs vested and the cash amounts were paid on a quarterly basis over the course of the 12 months subsequent to the grant. This amount was determined based upon the prior year's payment with a usual and customary increase.

The RSUs vested on a quarterly basis over a 12 month period with the first tranche vesting on May 27, 2014. For a discussion on the assumptions made regarding the valuation of the stock awards, please see "Notes to Consolidated Financial Statements—Note 7—Stockholders' Equity—Stock Incentive Plans."

Members of our Board of Directors who are employees receive no additional compensation for service as members of our Board of Directors. Members of our Board of Directors who also serve on one or more committees of our Board of Directors do not receive any additional compensation for such service.

Compensation Committee Interlocks and Insider Participation

During fiscal 2014, the Compensation Committee was comprised of Messrs. Hoffman and Savage and Ms. Calabrese. The Compensation Committee is responsible for determining the salaries and incentive compensation of our executive officers and for providing recommendations for the salaries and incentive compensation of all other employees and consultants. The Compensation Committee also administers our benefit plans, including the Amended and Restated 2004 Stock Incentive Plan. Mr. Hoffman serves as Chairman of the Compensation Committee. None of our past or current members of the Compensation Committee has served as an executive officer or employee of us or any of our subsidiaries.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE.

Our Audit Committee charter provides that that all transactions between us and persons or entities affiliated with our officers, directors or principal common stockholders must be approved by our Audit Committee. We believe that this policy requiring that any material transaction between us and such related parties be approved by our Audit Committee ensures that such transactions are on terms no less favorable to us than reasonably could have been obtained in arms' length transactions with independent third parties. For fiscal 2014, our related party transactions, all of which were previously approved by our Audit Committee, are described below.

Joe Dahan

Since the acquisition of the Joe's® brand as a result of a merger in October 2007 through February 18, 2013, Mr. Dahan was entitled to a certain percentage of our gross profit in any applicable fiscal year until October 2017. At the time of the acquisition, pursuant to ASC 805—*Business Combinations*, we assessed this original contingent consideration arrangement as compensatory and

expensed such amounts over the term of the earn out period at the defined percentage amounts. For the fiscal years ended 2013 and 2012, expenses of \$311,000 and \$1,862,000, respectively, were recorded in the statement of net (loss) income and comprehensive (loss) income related to the contingent consideration expense made to Mr. Dahan under the original agreement.

On February 18, 2013, we entered into a new agreement with Mr. Dahan that fixed the overall amount to be paid by us for the remaining months of year six through year 10 in the original merger agreement at \$9,168,000 through weekly installment payments beginning on February 22, 2013 until November 27, 2015. In the first quarter of fiscal 2013, we recorded a charge of \$8,732,000 as contingent consideration buy-out expense in connection with this agreement. This amount represented the net present value of the total fixed amount that Mr. Dahan would receive. The entire amount was expensed during the first quarter of fiscal 2013 as the amount payable represented a present obligation due to Mr. Dahan. On September 30, 2013, in connection with entry into new credit facilities relating to the acquisition of Hudson, Mr. Dahan, CIT, Garrison and all of our loan parties entered into an earn out subordination agreement, which provides, among other things, that any payment, whether in cash, in kind, securities or any other property, in connection with the our obligations to Mr. Dahan is expressly junior and subordinated in right of payment to all amounts due and owing upon any indebtedness outstanding under the revolving credit facility and the term loan facility. We are permitted to make certain amount of weekly installment payments of our obligations in the absence of an insolvency proceeding or any event of default under the revolving credit agreement or the term loan credit agreement. As a result of our default under the revolving credit agreement or the term loan credit agreement, we are currently prohibited from making any payments to Mr. Dahan.

Ambre Dahan

In January 2013, we entered in to a consulting arrangement with Ambre Dahan, the spouse of Mr. Dahan, for design director services that paid her \$175,000 per annum on a bi-weekly basis. For the fiscal year ended 2014, we paid Ms. Dahan \$175,000 under this arrangement. This arrangement was terminated effective as of November 17, 2014. Mr. Dahan is not a party to this arrangement, and we do not consider this arrangement material to us.

Albert Dahan

In April 2009, we entered into a commission-based sales agreement with Albert Dahan, brother of Mr. Dahan, for the sale of our products into the off-price channels of distribution. Under the agreement, Mr. Albert Dahan is entitled to a commission for purchase orders entered into by us where he acts as a sales person. The agreement may be terminated at any time for any reason or no reason with or without notice. For the fiscal year ended 2014 there were no payments made to Mr. Albert Dahan under this arrangement. For fiscal years ended 2013 and 2012, payments of \$453,000 and \$573,000, respectively, were made to Mr. Albert Dahan under this arrangement.

In October 2011, we entered into an agreement with Ever Blue LLC, or Ever Blue, an entity for which Albert Dahan is the sole member, for the sale of children's products. Ever Blue has an exclusive right to produce, distribute and sell children's products bearing the Joe's® brand on a worldwide basis, subject to certain limitations on the channels of distribution. In exchange for the license, Ever Blue pays to us a royalty on net sales with certain guaranteed minimum sales for each term. In connection with this agreement, we provided initial funding to Ever Blue for inventory purchases, which such amount has been repaid in full. For the fiscal years ended 2014, 2013 and 2012, we recognized \$504,000, \$612,000 and \$296,000, respectively in royalty income under the license agreement.

We have entered into several agreements, including a stock purchase agreement, a convertible note, a registration rights agreement, an employment agreement and a non-competition agreement with Peter Kim in connection with the acquisition of Hudson. See "Notes to Consolidated Financial Statement—Note 3—Acquisition of Hudson" and "Notes to Consolidated Financial Statement—Note 8—Debt" for a further discussion of those agreements.

Employment Agreements with Officers and Directors

We have entered into employment agreements with Marc Crossman, our former President and Chief Executive Officer, Joe Dahan, our Creative Director and Peter Kim, our Chief Executive Office of our Hudson subsidiary. Mr. Dahan is also a member of our Board of Directors and Mr. Kim was previously a member of our Board of Directors until February 2015. See "Item 11—Employment Contracts and Termination of Employment and Change in Control Arrangements" for a further discussion of these agreements.

Director Independence

Currently, the following members of our Board of Directors are considered "independent" under NASDAQ listing standards and as such term is defined in the rules and regulations of the SEC:

- Joanne Calabrese;
- Kelly Hoffman;
- Suhail Rizvi; and
- Kent Savage.

In making its determination that the foregoing directors are independent, the Board of Directors considered all relevant facts and circumstances. There are no current transactions with members of the Board of Directors that needed to be considered for any impact on the respective member's independence. We do not have any past or present members serving on our Audit Committee, Compensation Committee and Nominating and Governance Committee that are not considered to be independent based on the applicable rules of NASDAQ and the SEC.

The Audit Committee has adopted a policy which requires the Audit Committee's pre-approval of audit and non-audit services performed by the independent auditor to assure that the provision of such services does not impair the auditor's independence. The Audit Committee approves such services on an on-going basis prior to the incurrence of any such audit and non-audit services. The Audit Committee pre-approved all of the audit and non-audit services rendered by E&Y and Moss Adams listed above.

The Audit Committee has determined that the services provided by E&Y and Moss Adams were compatible with maintaining both E&Y's and Moss Adams' independence.
